**TRADEMARK SECURITY AGREEMENT**

This **TRADEMARK SECURITY AGREEMENT** (this “**Agreement**”) is made as of July 27, 2022 (the “**Effective Date**”) between the signatory hereto (the “**Grantor**”) in favor of **HPS INVESTMENT PARTNERS, LLC**, as collateral agent (together with its permitted successors in such capacity, the “**Collateral Agent**”).

**RECITALS:**

**WHEREAS**, reference is made to that certain U.S. Pledge and Security Agreement, dated as of July 27, 2022 (as it may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**U.S. Pledge and Security Agreement**”), by and among the Grantor, the other grantors party thereto and the Collateral Agent;

**WHEREAS**, initially capitalized terms used but not defined in this Agreement have their respective meanings as defined (including by reference) in the U.S. Pledge and Security Agreement; and

**WHEREAS**, under the terms of the U.S. Pledge and Security Agreement, the Grantor has (i) as collateral security for the Secured Obligations, granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of the Grantor’s right, title and interest in, to and under the Collateral (as defined in the U.S. Pledge and Security Agreement), including, without limitation, the Trademark Collateral (as defined below) and (ii) agreed to execute this Agreement for recording with the United States Patent and Trademark Office.

**NOW, THEREFORE**, in consideration of the premises and the agreements, provisions and covenants herein contained, the Grantor and the Collateral Agent agree as follows:

**Section 1. Grant of Security.** As collateral security for the Secured Obligations, the Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of the Grantor’s right, title and interest in, to and under the following (collectively, the “**Trademark Collateral**”):

(i) The United States registered trademarks and service marks and applications therefor referred to in Schedule 1 hereto, but for the avoidance of doubt excluding any intent-to-use trademark or service mark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark or service mark application or any registration issuing therefrom under applicable federal law, (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by any of the foregoing, (iv) all rights corresponding thereto throughout the United States, (v) the right to sue or otherwise recover for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill and (vi) all Proceeds of any of the foregoing, including license fees, royalties, income, payments, claims, damages, and proceeds of suit.

**Section 2. Recordation.** The Grantor authorizes and requests that the United States Patent and Trademark Office and any other applicable government officer record this Agreement.

**Section 3. Counterparts.** This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all

of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

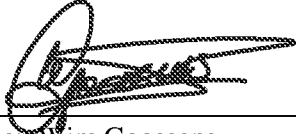

**Section 4. Governing Law.** This Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.

**Section 5. Conflict Provision.** This Agreement has been entered into in conjunction with the provisions of the U.S. Pledge and Security Agreement and the security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the U.S. Pledge and Security Agreement. The rights and remedies of each party hereto with respect to the security interest in the Trademark Collateral granted herein are more fully set forth in the U.S. Pledge and Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement are in conflict with the U.S. Pledge and Security Agreement, the provisions of the U.S. Pledge and Security Agreement shall govern.

[Remainder of Page Intentionally Left Blank]

**IN WITNESS WHEREOF**, the Grantor and the Collateral Agent have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.
