IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Registration of:

Micro Intellectual Company, LLC

DECLARATION UNDER 37 CFR § 2.20

I, Alexander Butterman, declare that:

1. I am a Partner in the law firm of Dunlap Bennett and Ludwig PLLC (“DBL”) representing the Registrant, Micro Intellectual Company, LLC (“Registrant”), before the U.S. Patent and Trademark Office (“USPTO”), and I am making this declaration to correct the Registrant’s name in the registration record for U.S. Reg. No. 4184154 for the mark WESTERN SON TEXAS VODKA (standard character) (the “Mark”).

2. I have been representing the Registrant in various matters for approximately the past four years and I have become familiar with the Registrant.

3. On April 25, 2014, an assignment was recorded in the USPTO Assignments Division for the Mark by a different DBL attorney which assigned ownership of the Mark from four individual registrants to the current Registrant. However, that assignment identified the Registrant as “Micro Intellectual Company, a DELAWARE corporation...” instead of “Micro Intellectual Company, LLC, a Delaware limited liability company” (red lettering added).

4. On June 2, 2017, a DBL attorney filed a corrective recordation of this assignment in the USPTO Assignments Division to correct the entity type from “corporation” to “limited liability company” and to correct the Registrant’s address. However, the LLC entity identifier was still omitted from the legal name of the Registrant.

5. Since the original assignment was recorded in April of 2014, the Registrant’s legal name is and always has been Micro Intellectual Company, LLC. Declarant refers to **Exhibit A** containing a printout of an electronic Certificate of Good Standing issued by the Delaware Division of Corporations showing the correct name of the registrant, “Micro Intellectual Company, LLC,” as it has been named since at least December 16, 2013. This electronic Certificate of Good Standing has legitimately been downloaded from the Delaware Division of Corporations website, with the requisite fee paid therefor, on April 22, 2022 and this is therefore an authentic copy or printout of an Unofficial Delaware Certificate of Good Standing.

6. The omission of the LLC entity identifier from the name of the Registrant in the underlying assignment and in each recordation thereof in the USPTO Assignments Division was obviously a clerical oversight and a “minor clerical error” correctable pursuant to Section 1201.02(c) of the *Trademark Manual of Examining Procedure* (see example 3) (“Minor clerical errors such as the mistaken addition or omission of “The” or “Inc.” in the applicant’s name may be corrected by amendment...”). The Micro Intellectual Company name without the LLC entity identifier has not identified any other, actual existing company registered in the State of Delaware. As such, the omission of the LLC entity identifier and use of the Micro Intellectual Company name alone has not misidentified the Registrant as a completely different, existing entity.

7. Pursuant to TMEP § 503.06(b), Registrant's undersigned counsel is submitting with this executed declaration: **Exhibit A**, the Delaware Secretary of State Certificate of Good Standing; a new completed assignment cover sheet; a copy of the originally recorded documents with initialed corrections thereto; and the required recordation fee for one registration.

The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.
