INTELLECTUAL PROPERTY SECURITY AGREEMENT
(PostBeyond)

This Intellectual Property Security Agreement is made the 11th day of March, 2022 (as the same may from time to time be amended, restated, modified or supplemented, this "**Agreement**") between **POSTBEYOND INC.**, a corporation organized under laws of Ontario ("**Grantor**") and **COMERICA BANK** ("**Bank**").

RECITALS

A. Bank has or will enter into certain financial accommodations with **INFLUITIVE CORPORATION**, a corporation organized under laws of Ontario ("**Borrower**") pursuant to a Loan Agreement made as of August 30, 2017, between Bank and Borrower (as amended, restated, replaced and supplemented from time to time, "**Loan Agreement**").

B. Bank has required Grantor to provide to Bank, among other documents, (i) a certain Security Agreement dated as of the date hereof between Grantor and Bank (as amended, restated, replaced or supplemented from time to time, the "**Security Agreement**"), and (ii) this Agreement, in each case, to secure the Secured Obligations (as defined in the Security Agreement). All terms used without definition in this Agreement shall have the meaning assigned to them in the Security Agreement.

C. Grantor is financially interested in the affairs of Borrower, and deems it advisable, desirable, and in the best interests of Grantor to enter into this Agreement.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment and performance when due of the Secured Obligations now existing or hereafter arising, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure the prompt and complete payment and performance when due of the Secured Obligations now existing or hereafter arising, Grantor grants and pledges to Bank a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Bank under the Security Agreement. The rights and remedies of Bank with respect to the security interest granted hereby are in addition to those set forth in the Security Agreement and any of the other Loan Documents, and those which are now or hereafter available to Bank as a matter of law or equity. Each right, power and remedy of Bank provided for herein or in the Security Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Bank of any one or more of the rights, powers or remedies provided for in this Agreement, the Security Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Bank, of any or all other rights, powers or remedies.

Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights in connection to which Grantor has registered or filed an application with the United States Patent and Trademark Office, the United States Copyright Office and /or the Canadian Intellectual Property Office, as applicable.

This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or by e-mail in pdf format shall, in each case, be effective as delivery of a manually executed counterpart of this Agreement.

The parties agree that this Agreement may be executed by electronic signatures. The parties further agree that the electronic signature of a party to this Agreement shall be as valid as an original manually executed signature of such party and shall be effective to bind such party to this Agreement, and that any electronically signed document (including this Agreement) shall be deemed (a) to be "written" or "in writing," and (b) to have been "signed" or "duly executed". For purposes hereof, "electronic signature" means a manually-signed original signature that is then transmitted by electronic means or a signature through an electronic signature technology platform. Notwithstanding the foregoing, Bank may require original manually executed signatures.
