ASSIGNMENT OF INTELLECTUAL PROPERTY

This Assignment of Intellectual Property (“Assignment”) is entered into by and between Oncology Analytics, Inc, a Florida corporation located at 7000 Central Parkway, Suite 1750, Atlanta, Georgia, 30328 (hereinafter called “the Assignor”) and Oncology Analytics, Inc, a Delaware corporation, with an address of 7000 Central Parkway, Suite 1750, Atlanta, Georgia, 30328 (hereinafter called “the Assignee”) (collectively “the Parties”).

This Assignment shall be effective as of January 11, 2016 (“Effective Date”).

Recitals

- A. WHEREAS, for at least the past many years, Assignor has dedicated time, effort, and expense into developing services and related goods under the Onco Health brand including, but not limited to obtaining United States Federal Trademark Registrations No. 5025601, in International Class 44 (the Intellectual Property).
- B. Assignee desires to acquire all of Assignor’s right, title, goodwill, and interest in the Intellectual Property.
- C. Assignor seeks to give, grant, sell, transfer, convey and assign (collectively “assign”) to Assignee all of its right, title, goodwill, and interest in the Intellectual Property.

Assignment

NOW, THEREFORE, for consideration, the sufficiency and receipt of which is hereby acknowledged, Assignor and Assignee agree to the following terms:

- A. Rights Assigned. Assignor does hereby assign unto Assignee all of Assignor’s right, title, goodwill, and interest in the Intellectual Property as stated above to be held, enjoyed, prosecuted, and maintained by Assignee, for its own use and enjoyment, and for the use and enjoyment of its successors and assigns, or other legal representatives, for the full life of the Intellectual Property as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been entered into by the parties. Assignee shall prepare and file with the United States Patent and Trademark Office a formal notice of trademark assignment.
- B. Warranty. Assignor hereby represents and warrants that Assignor has the full power, authority and right to assign the Intellectual Property as herein provided; that Assignor has not previously granted, conveyed, licensed, sold, transferred, or assigned to any other party any right, title, goodwill, or interest in or to the Intellectual Property, nor will Assignor hereafter do any of the foregoing.
- D. Assignment. This Assignment and all obligations and undertakings hereunder shall inure

to the benefit of Assignor and Assignee and their respective employees, agents, successors, assigns, transferees, heirs and executors.

- E. (a) This Assignment may be executed in several counterparts, each of which shall be deemed an original and all of which shall constitute one and the same instrument, and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Parties; it being understood that all Parties need not sign the same counterparts.
- (b) The exchange of copies of this Assignment and of signature pages by facsimile transmission (whether directly from one facsimile device to another by means of a dial-up connection or whether mediated by the worldwide web), by electronic mail in “portable document format” (“.pdf”) form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by combination of such means, shall constitute effective execution and delivery of this Assignment as to the Parties and may be used in lieu of the original Assignment for all purposes. Signatures of the Parties transmitted by facsimile shall be deemed to be their original signatures for all purposes.
