AGREEMENT

(Trademarks and Patents)

THIS AGREEMENT (TRADEMARKS AND PATENTS) (this “Agreement”), dated as of August 15, 2022 by and among Graceland Fruit, Inc. and Gateway Products, Inc. (each, a “Grantor” and collectively, “Grantors”) and PNC Bank, National Association, as Agent for the Lenders (as defined below) (“Secured Party”).

WITNESSETH

WHEREAS, pursuant to that certain Amended and Restated Revolving Credit, Term Loan and Security Agreement dated as of August 15, 2022 (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”) by and among the Grantors, the financial institutions from time to time signatory thereto (individually a “Lender”, and any and all such financial institutions collectively the “Lenders”) and Secured Party, the Lenders have agreed, subject to the satisfaction of certain terms and conditions, to extend certain credit to the Grantors, as provided therein; and

WHEREAS, under the terms of the Credit Agreement, Grantors have granted to the Agent, as collateral security for the Obligations, a security interest in and continuing lien on all of Grantors’ right, title and interest in, to and under the Collateral, and Grantors have agreed to execute this Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged, in consideration of the premises and the agreements, provisions and covenants herein contained, each Grantor agrees, for the benefit of the Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Credit Agreement.

SECTION 2. Grant of Security. As collateral security for the Obligations, each Grantor hereby grants to the Agent a security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under the following, whether now owned or hereafter acquired, excluding, however, any of the following that is an Excluded Asset (collectively, the “Trademark and Patent Collateral”):

- (a) (i) All trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (or any successor office) or any similar offices in any State of the United States, and all extensions or renewals thereof, including those listed on Schedule 1 hereto, (ii) all goodwill associated therewith or symbolized thereby and (iii) all other assets, rights and interests that uniquely reflect or embody such goodwill.

(b) (i) All letters patent of the United States, all registrations and recordings thereof, and all applications for letters patent of the United States, including registrations, recordings and pending applications in the United States Patent and Trademark Office (or any successor office), including those listed on Schedule 2 hereto, and (ii) all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein.

(c) all renewals of any of the items described in clauses (a) and (b);

(d) all of the goodwill of the business connected with the use of, and symbolized by each of the items described in, clauses (a), (b) and (c); and

(e) all proceeds of, and rights associated with, the foregoing, including any right to sue or claim by the Grantors, or either of them, against third parties for past, present, or future infringement or dilution of any patent, trademark, trademark registration, patent registration, trademark license or patent license, including any trademark, patent, trademark registration, patent registration, trademark license or patent license referred to in Schedules 1 or 2 attached hereto, or for any injury to the goodwill associated with the use of any trademark or patent or for breach or enforcement of any trademark or patent license.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantors for the purpose of registering the security interest of the Secured Party in the Trademark and Patent Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Secured Party under the Credit Agreement as security for the discharge and performance of the Obligations. The Credit Agreement (and all rights and remedies of the Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Party with respect to the security interest in the Trademark and Patent Collateral granted hereby are more fully set forth in the Credit Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Governing Law. This Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the laws of the State of Michigan.

SECTION 6. Conflict Provision. This Agreement has been entered into in conjunction with the provisions of the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to those set forth in the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event

that any provisions of this Agreement are in conflict with the Credit Agreement, the provisions of the Credit Agreement shall govern.

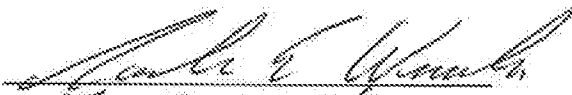

SECTION 7. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.
