## TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made as of September 20, 2022 (the "Effective Date") by DIVERSIFIED POWER INTERNATIONAL, LLC, a Tennessee limited liability company ("Assignor"), to and for the benefit of PRO CHARGING SYSTEMS, LLC, a Tennessee limited Liability Company ("Assignee").

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby covenants and agrees as follows:

1. Grant and Assignment of Marks. Effective as of the Effective Date, Assignor does hereby sell, transfer, convey, assign and deliver to Assignee, and Assignee hereby accepts from Assignor, all right, title, and interest in and to those certain registered and unregistered trademarks, service marks and trade names, including any pending applications therefor, listed in Exhibit A attached hereto (collectively, the "Marks"), together with the goodwill of the Marks, the goodwill of Assignor's business related to the Marks, all common law trademark rights pertaining thereto, and all common law copyrights, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made; together with all claims for damages by reason of past infringements of the Marks or copyrights, along with the right to sue for and collect such damages for the use and benefit of Assignee and Assignee's successors, assigns and other legal representatives. Assignor does hereby further sell, transfer, convey, assign and deliver to Assignee all of its right, title and interest in and to the Marks in any country foreign to the United States of America.

2. Further Assurances. Assignor shall, without additional consideration, take such further actions and execute promptly such further documents as are necessary to effect and record the assignments contemplated hereby, including any actions or documents required by any applicable registrar or governmental body to document the assignments contemplated hereby or as may be necessary to protect, secure and vest good, valid and marketable title to the Marks and related rights in Assignee.

3. Recording of Assignment. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, any officer of any country or countries foreign to the United States, and any other state, provincial or local governmental authority whose duty it is to register or issue the Marks, or other evidence or forms of intellectual property protection, to issue the same to Assignee and Assignee's successors, assigns and other legal representatives in accordance with the terms of this instrument.

4. Counterparts. This Assignment may be executed in multiple counterparts and delivered by facsimile or other electronic transmission, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.
