WHEREAS:

- (A) On 30 November 2020, the Assignors entered into administration by order of the court and the Joint Administrators were appointed joint administrators of the Assignors.

- (B) This Deed is entered into pursuant to a sale and purchase agreement between the Assignors, Joint Administrators and the Assignee dated 6 February 2021 (the *Asset Purchase Agreement*).

IT IS AGREED:

1. Assignment

- 1.1 Pursuant to the Asset Purchase Agreement, each Assignor hereby assigns to the Assignee, subject to the terms and conditions of any licences granted to third parties, on an “as is” basis such right, title and interest (if any) as each Assignor may have at Closing in and to the Rights, including:
- (a) all statutory and common law rights attaching to the Rights, together with the goodwill of the business relating to the goods and services in respect of which the Rights are registered or used; and
 - (b) the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain damages recovered) in respect of any infringement or passing off or unauthorised use or any other cause of action arising from ownership of the Rights whether occurring before or after the date of this Deed.

2. Legal Relationship

Nothing in this Deed shall constitute a partnership between the parties nor make either party the agent of the other party for any purpose.

3. Costs

- 3.1 Subject to clause 3.3 and except as otherwise provided in this Deed or the Asset Purchase Agreement (the terms of which shall govern the liability of the parties for tax arising pursuant to this Deed), each party shall pay its own Costs (including those of its Affiliates) incurred in connection with negotiating, preparing and completing this Deed.
- 3.2 The Assignee shall (or shall procure that its Affiliates shall) pay all stamp, notarisation fees or other documentary or transaction duties, stamp duty reserve tax, stamp duty land tax and any other registration or transfer taxes arising under or in connection with this Deed or any of the transactions contemplated hereunder.
- 3.3 Where under the terms of this Deed any of the Assignors and/or the Joint Administrators have agreed to take action at the Assignee’s cost, the Assignee shall pay the fees and expenses (including legal expenses) of the relevant Assignor and the Joint Administrators on an indemnity basis, and no Assignor nor the Joint Administrators shall be obliged to take any action unless the Assignee has (if so requested by any of the Assignors and/or the Joint Administrators) transferred to the relevant Assignor(s) and/or the Joint Administrators funds on account of such fees and expenses to the satisfaction of the relevant Assignor(s) and the Joint Administrators.

4. Exclusion of Joint Administrators’ Liability

- 4.1 The Joint Administrators have entered into and signed this Deed as agents for and on behalf of the relevant Assignor and neither they nor their firm, future firm, partners, employees, advisers, representatives or agents shall incur any personal liability whatsoever in respect of any of the obligations undertaken by an Assignor, or in respect of any failure on the part of an Assignor to observe, perform or comply with any such obligations; or under or in relation to any associated

arrangements or negotiations; or under any document or assurance made pursuant to or in connection with this Deed. The Joint Administrators are party to this Deed in their personal capacities only for the purpose of receiving the benefit of the exclusions, limitations, undertakings, covenants and indemnities in their favour contained in this Deed.

- 4.2 Any right of the Joint Administrators under this Deed, shall also be for the benefit of, and shall be exercisable by, any additional or subsequent administrator, liquidator or other insolvency officeholder appointed from time to time in respect of an Assignor and each of their respective firms or future firm's partners, fellow members or employees (each a **Subsequent Appointee**) and so that, as regards any Subsequent Appointee, the relevant clause shall apply mutatis mutandis so that references to the Joint Administrators shall be treated as references to such Subsequent Appointee.
- 4.3 No liability of the Assignors which arises in any way and to any party (whether a party to this Deed or not) under or pursuant to this Deed shall comprise a liability falling within any of the sub-paragraphs of paragraph 99 of Schedule B1 or otherwise (including any right to rank as an expense of the administration pursuant to rule 3.50 of the Insolvency (England and Wales) Rules 2016) and the Assignee expressly waives any charge on any assets in the administration of any Assignor or any right to priority payment from those assets pursuant to paragraph 99 of Schedule B1, rule 3.50 or otherwise. Where the Assignee receives any funds in respect of such paragraph, which relate to the terms of this Deed, the Assignee shall hold such funds on trust for the relevant Assignor and account to the relevant Assignor for them immediately.
- 4.4 The provisions of this clause 4 shall continue for the benefit of the Joint Administrators or any Subsequent Appointee, notwithstanding the fact that the Joint Administrators or any Subsequent Appointee may cease to act as officeholder in respect of an Assignor.

5. Further Assurance

- 5.1 Each Assignor shall, until the earlier of the date that falls 10 months from the date of Closing and the date such Assignor no longer remains in administration, use its reasonable endeavours to, after and notwithstanding Closing (at the relevant Assignee's cost) execute and deliver (or procure to be executed and delivered) any other documents prepared by the Assignee at the Assignee's Cost, and do all other things as may reasonably be required from time to time by the Assignee to implement and give effect to this Deed (including responding to and approving any requests to transfer any of the Domain Names to the Assignee or its authorised representative made by an applicable registrar which may be sent to the 'admin contact' (or such other applicable contact) at the relevant Assignor by such registrar), provided always that the terms of any applicable documents shall exclude any personal liability of the Joint Administrators in a manner satisfactory to the Joint Administrators and shall be subject to the Joint Administrators' approval.
- 5.2 In the event that a Subsequent Appointee is appointed, then the Joint Administrators shall procure that such Subsequent Appointee is aware of this Deed.

6. Conflict with Other Agreements

If there is any conflict between the terms of this Deed and the Asset Purchase Agreement, the terms of the Asset Purchase Agreement shall prevail.

7. Whole Agreement

7.1 This Deed and the other Transaction Documents together set out the whole agreement between the parties in respect of the subject matter of this Deed and supersede any previous draft, agreement, arrangement or understanding, whether in writing or not, relating to its subject matter. It is agreed that:

- (a) no party has relied on or shall have any claim or remedy arising under or in connection with any statement, representation, warranty or undertaking made by or on behalf of the other party (or any of its Connected Persons) in relation to the subject matter of this Deed that is not expressly set out in this Deed or any other Transaction Document;
- (b) every term or condition implied by law in any jurisdiction in relation to the subject matter of this Deed is excluded to the fullest extent possible and, to the extent that it is not possible to exclude any term or condition of that description, each party irrevocably waives any right or remedy in respect of it;
- (c) except for any liability in respect of a breach of this Deed or any other Transaction Document, no party (nor any of its Connected Persons) shall owe any duty of care or have any liability in tort or otherwise to the other party (or its respective Connected Persons) in relation to the subject matter of this Deed; and
- (d) the only right or remedy of a party in relation to any provision of this Deed shall be for breach of the Deed.

7.2 Nothing in clause 7.1 shall limit any liability for fraud or fraudulent misrepresentation.

7.3 Each party agrees to the terms of this clause 7 on its own behalf and as agent for each of its Connected Persons.

8. Waivers, Rights and Remedies

No failure to exercise, or delay on the part of any Assignor or the Joint Administrators in exercising, any right or remedy under this Deed or any other Transaction Document or provided by law shall affect that right or remedy or operate as a waiver of the right or remedy. The single or partial exercise of any right or remedy on the part of any Assignor or the Joint Administrators under this Deed or any other Transaction Document or provided by law shall not preclude any further exercise of it or the exercise of any other remedy on the part of any Assignor or the Joint Administrators.

9. Counterparts

This Deed may be executed in any number of counterparts, and by each party on separate counterparts. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument. Delivery of a counterpart of this Deed by e-mail attachment shall be an effective mode of delivery.

10. Variations

10.1 No amendment of this Deed shall be valid unless it is in writing and duly executed by or on behalf of all of the parties to it. If this Deed is varied, the variation shall not constitute a general waiver of any provisions of this Deed; the variation shall not affect any rights, obligations or liabilities under this Deed that have already accrued up to the date of variation and the rights

and obligations of the parties under this Deed shall remain in force, except as, and only to the extent that, they are varied.

11. Invalid Terms

11.1 Each of the provisions of this Deed is severable.

11.2 If and to the extent that any provision of this Deed:

- (a) is held to be, or becomes, invalid or unenforceable under the law of any jurisdiction; but
- (b) would be valid, binding and enforceable if some part of the provision were deleted or amended,

then the provision shall apply with the minimum modifications necessary to make it valid, binding and enforceable and neither the validity or enforceability of the remaining provisions of this Deed, nor the validity or enforceability of that provision under the law of any other jurisdiction, shall in any way be affected or impaired as a result of this clause 11.2.

11.3 The parties shall negotiate in good faith to amend or replace any invalid, void or unenforceable provision with a valid, binding and enforceable substitute provision or provisions, so that, after the amendment or replacement, the commercial effect of the Deed is as close as possible to the effect it would have had if the relevant provision had not been invalid, void or unenforceable.

12. Third Party Enforcement Rights

12.1 Each of the following shall have the right to enforce this Deed by reason of the Contracts (Rights of Third Parties) Act 1999:

- (a) any Subsequent Appointee;
- (b) each Joint Administrator; and
- (c) in respect of clause 7 only and the provisions of this Deed to which it applies, the Connected Persons specified in clause 7.

This right is subject to:

- (i) the rights of the parties to amend or vary this Deed without the consent of any Connected Persons or any Subsequent Appointee; and
- (ii) the other terms and conditions of this Deed.

12.2 Notwithstanding that this Deed is signed by only one of the AGL Joint Administrators, only one of the AGBL Joint Administrators and only one of the DPTL Joint Administrators, the parties hereby expressly agree that the benefit of the releases and indemnities, and in particular clause 4, for the Joint Administrators shall accrue to all of the AGL Joint Administrators, all of the AGBL Joint Administrators and all of the DPTL Joint Administrators, as applicable.

12.3 Except as provided in clause 12.1 and clause 12.2, a person who is not a party to this Deed shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

13. Governing law and jurisdiction

13.1 This Deed and any non-contractual obligations arising out of, or in connection with, it shall be governed by, and interpreted in accordance with, English law.

13.2 The English courts shall have exclusive jurisdiction in relation to all Disputes. For these purposes each party irrevocably submits to the jurisdiction of the English courts and waives any objection to the exercise of that jurisdiction. Each party also irrevocably waives any objection to the recognition or enforcement in the courts of any other country of a judgment delivered by an English court exercising jurisdiction pursuant to this clause.

This IP Assignment Deed has been executed as a deed and is delivered and takes effect on the date stated at the beginning of it.
