TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of November 7, 2022 (as amended, restated, supplemented or otherwise modified from time to time, this “Trademark Security Agreement”), is made by each of the signatories hereto (each, a “Grantor” and collectively, the “Grantors”) and Citibank, N.A., as Agent (in such capacity and together with its successors in such capacity, the “Agent”) for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, Xerox Corporation, a New York corporation (the “Company”), has entered into the Credit Agreement, dated as of July 7, 2022 (as amended, restated, supplemented, replaced or otherwise modified from time to time, the “Credit Agreement”) with the banks and other financial institutions and entities from time to time party thereto, and the Agent.

WHEREAS, it is a condition precedent to the obligation of the Lenders to make their respective extensions of credit to the Company under the Credit Agreement that the Grantors shall have executed and delivered that certain Guarantee and Collateral Agreement, dated as of July 7, 2022, in favor of the Agent (as amended, restated, supplemented, replaced or otherwise modified from time to time, the “Guarantee and Collateral Agreement”). Capitalized terms used and not defined herein have the meanings given to such terms in the Guarantee and Collateral Agreement.

WHEREAS, under the terms of the Guarantee and Collateral Agreement, the Grantors have granted a security interest in certain property, including, without limitation, the Trademark Collateral (as defined below), to the Agent for the benefit of the Secured Parties, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

1. Grant of Security. Each Grantor hereby grants to the Agent for the benefit of the Secured Parties a security interest in and to all of such Grantor’s right, title and interest in and to the following (the “Trademark Collateral”), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor’s Obligations:

(a) (i) all trademarks, service marks, trade names, corporate names, company names, business names, trade dress, trade styles, logos or other indicia of origin or source identification, all registrations and applications for the registration thereof, including, without limitation, each registration and application identified in Schedule 1 attached hereto (“Trademarks”), all renewals thereof, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the foregoing, (ii) the right to sue or otherwise recover for any and all past, present and future infringements, dilutions and other violations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all Trademark Licenses entered into in connection therewith, payments arising out of any other sale, lease, license or other disposition thereof and damages and payments for past, present or future infringements, dilutions and other violations thereof) and (iv) all other rights of any kind whatsoever accruing thereunder or pertaining thereto throughout the world; but excluding any “intent-to-use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing and acceptance of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair

the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law); and,

(b) to the extent not otherwise included, any and all Proceeds of the foregoing.

2. Recordation. Each Grantor authorizes and requests that the United States Patent and Trademark Office record this Trademark Security Agreement.

3. Execution in Counterparts; Electronic Execution. This Trademark Security Agreement may be executed in any number of counterparts (including by facsimile or other electronic imaging means), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. The words "execution," "signed," "signature," and words of like import in this Trademark Security Agreement shall be deemed to include electronic signatures or electronic records, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

4. Governing Law. This Trademark Security Agreement and all claims or causes of action (whether in contract, tort or otherwise) that may be based upon, arise out of or relate in any way hereto or the negotiation, execution or performance thereof or the transactions contemplated hereby, unless otherwise expressly set forth therein, shall be governed by, and construed in accordance with, the law of the state of New York.

5. Conflict Provision. The security interest granted pursuant to this Trademark Security Agreement has been granted in conjunction with the security interest granted to the Agent for the benefit of the Secured Parties pursuant to the Guarantee and Collateral Agreement. The rights and remedies of the Agent with respect to the security interest granted herein are more fully set forth in the Guarantee and Collateral Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Trademark Security Agreement are in conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control.
