WHEREAS, Assignor and Assignee are both duly authorized and capable of entering this Trademark Assignment; and

WHEREAS, the Parties, by this Trademark Assignment, desire to establish Assignee's right to use the Assigned Trademark on a perpetual global basis for the Business Purpose.

NOW, THEREFORE, in consideration of the mutual covenants, terms, and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

AGREEMENT

1. Definitions. For purposes of this Agreement, the following terms have the following meanings:

"**Affiliate**" of a Person means any other Person that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with, such Person. The term "control" (including the terms "controlled by" and "under common control with") means the possession, directly or indirectly, of the power to direct or cause the direction of the

management and policies of a Person, whether through the ownership of voting securities, by contract, or otherwise.

"**Effective Date**" has the meaning set forth in the preamble.

"**Assignee**" has the meaning set forth in the preamble.

"**Assignor**" has the meaning set forth in the preamble.

2. Assignment. Assignor does hereby sell, assign, transfer, and set over to Assignee and Assignee hereby accepts all of Assignor's right, title, and interest in and to the following:

2.1 the trademarks registration set forth in Exhibit A hereto and all issuances, extensions, and renewals thereof (the "**Assigned Trademarks**"), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks;

2.2 all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

2.3 any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

2.4 any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

3. Warranty. Assignor warrants that Assignor is the record owner of all right, title, and interest in the Mark that the Mark has not been previously pledged, assigned, or encumbered, and that this Assignment does not infringe on the rights of any person.

4. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment upon request by Assignee. Following the date hereof, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence, or perfect the assignment of the Mark to Assignee, or any assignee or successor thereto.

5. Entire Agreement. This Trademark Assignment constitutes the sole agreement of the Parties and supersedes all oral negotiations and prior writings with respect to the subject matter hereof.

6. Governing Law. This Trademark Assignment and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this Trademark Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Pennsylvania without giving effect to any choice or conflict of law provision or rule (whether of the State of Pennsylvania or any other jurisdiction).

7. Severability. If one or more provisions of this Trademark Assignment are held to be unenforceable under applicable law, the parties agree to renegotiate such provision in good faith. If the parties cannot reach a mutually agreeable and enforceable replacement for such provision, then (i) such provision will be excluded from this Assignment, (ii) the balance of the Assignment will be interpreted as if such provision were so excluded and (iii) the balance of the Assignment will be enforceable in accordance with its terms.

8. Advice of Counsel.
