**ASSIGNMENT OF TRADEMARKS**

THIS ASSIGNMENT OF TRADEMARKS (this "Assignment") is made and entered into as of the 3rd day of October, 2022 ("Effective Date"), by Biohaven Pharmaceutical Holding Company Ltd., a British Virgin Islands business company limited by shares with BVI company number 1792178 formed under the laws of the territory of the British Virgin Islands ("Assignor") in favor of Biohaven Ltd., a British Virgin Islands business company limited by shares with BVI company number 2097693 incorporated under the laws of the British Virgin Islands ("Assignee"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Separation and Distribution Agreement, dated as of May 9, 2022, among Biohaven Ltd., Pfizer Inc. (with respect to certain sections), and Assignor.

A. Assignor is the owner of the Trademarks set forth on Schedule 1 hereto (collectively, the "Transferred Trademarks").

B. Assignor desires to transfer and assign the Transferred Trademarks to Assignee, in accordance with and subject to the provisions set forth below.

NOW, THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, and intending to be legally bound, Assignor hereby agrees as follows:

1. Assignor hereby irrevocably Transfers to Assignee, its successors and assigns its entire right, title and interest in the United States and throughout the world in and to the Transferred Trademarks, including (a) any and all applications and registrations, and renewals and extensions thereof, (b) all goodwill associated therewith and symbolized thereby, and (c) all claims, causes of action and enforcement rights of any kind with respect thereto, and all of Assignor's rights to sue for and collect damages, costs, royalties, license fees, profits, injunctive relief and other recoveries for or relating to any past, present or future infringement thereof; the same to be held and enjoyed by Assignee, its successors and assigns, as fully as the same would have been held and enjoyed by the Assignor had this assignment not been made. Assignor hereby disclaims any rights in or to the Transferred Trademarks.

2. Assignor hereby authorizes and requests the relevant authority at the United States Patent and Trademark Office and/or any other applicable Governmental Authority of any country or countries foreign to the United States of America whose duty it is to record Trademark assignments, to record this Assignment as assignee of the entire right, title and interest in, to and under the Transferred Trademarks, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. The assumption by Assignee of such obligations shall be binding on Assignee and its successors and permitted assigns in accordance with this Assignment.

This Assignment and all actions arising under or in connection therewith will be governed by and construed in accordance with the Laws of the State of Delaware, regardless of any other

Laws that might otherwise govern under applicable principles of conflicts of law. The selection of the laws of the State of Delaware as the governing law of this Assignment and the transactions contemplated hereby is a valid choice of law under the laws of the British Virgin Islands and will be honored by courts in the British Virgin Islands.

This Assignment may be executed in counterparts (including by electronic signature or electronic transmission of .pdf signatures), each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. Delivery of any electronic signature or signature page by electronic transmission shall be binding to the same extent as an original signature page.
