**NUNC PRO TUNC ASSIGNMENT**

This assignment (the "Assignment"), effective *nunc pro tunc* as of March 19, 2021 (the "Effective Date"), is between North Park Innovations Group, Inc. ("Assignor"), and nClarity, LLC ("Assignee"), and is subject to the Operating Agreement of nClarity, LLC, made as of the Effective Date.

WHEREAS, Assignor is the owner of certain intellectual property ("IP") relating to that portion of NPI's business operations embodying its iManifold platform product line, which IP includes copyrights, patents and trademarks that are the subject of applications and registrations throughout the world as listed on the attached "Schedule A" (collectively, the "IP filings");

WHEREAS, Assignor has agreed to assign the IP to Assignee, including the IP filings and the goodwill associated with the IP.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Assignor hereby irrevocably assigns, transfers and conveys to Assignee, as of the Effective Date, all of Assignor's worldwide right, title and interest in and to the IP, together with the goodwill of the business symbolized thereby and the IP filings, and including without limitation all rights therein provided by international conventions and treaties, the right to sue or otherwise recover for past, present and future infringement or misappropriation thereof, and all income, damages and other payments now and hereafter due and/or payable with respect thereto.

2. This Assignment and all the terms hereof shall inure to the benefit of Assignee and be binding upon Assignor and the parties' respective successors, assigns and legal representatives.

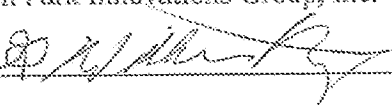

IN WITNESS HEREOF, the undersigned parties have executed this Assignment, effective as of the Effective Date, by their duly authorized representatives.
