TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement") is made as of December 12, 2022 by National VIP Centers Management, LLC, a Delaware limited liability company ("Grantor"), in favor of Fidelity Direct Lending LLC, as Agent for the Lenders party to the Credit Agreement referenced below (in such capacity, "Grantee").

WITNESSETH

WHEREAS, the Borrowers, the other Credit Parties party thereto from time to time, the Lenders party thereto from time to time and Grantee, in its capacity as Agent for such Lenders, dated as of the date hereof (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which Grantee and the Lenders have agreed, subject to the terms and conditions thereof, to make certain loans to, and other credit accommodations in favor of, Borrowers (collectively, the "Loans").

WHEREAS, pursuant to the terms of that certain Security Agreement, dated as of the date hereof, by among Grantee, Holdings and Borrowers in their capacities as "Debtors" thereunder, the undersigned Grantor as a Debtor thereunder and the other Debtors party thereto from time to time (as the same may be amended, restated, supplemented or otherwise modified from time to time, including by joinder, the "Security Agreement"), Grantor has collaterally assigned and transferred to Grantee, and granted to Grantee, for the ratable benefit of the Lenders and their respective affiliates (as provided in the Security Agreement), a security interest in all of its rights, title and interests to its Collateral, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations, including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks, and all proceeds thereof, to secure the payment of all amounts owing by Borrowers under the Credit Agreement.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Definitions. All capitalized terms used herein but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Credit Agreement or the Security Agreement, as applicable.
2. Incorporation of Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to Grantee pursuant to the Security Agreement, and Grantor hereby acknowledges and agrees that the rights and remedies of the Grantee with respect to the security interest in the Trademark Collateral (as defined below) made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein in their entirety by this reference thereto. In the event of a conflict between the provisions of this Agreement and the Security Agreement, the Security Agreement shall control.
3. Grant and Reaffirmation of Grant of Security Interests. To secure the prompt payment and complete performance of the Obligations, Grantor hereby grants to Grantee, for the ratable benefit of Lenders and their respective affiliates, and hereby reaffirms its prior grant pursuant to the Security Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter created, acquired or arising:

a. all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or otherwise, and all common-law rights related thereto, including any of the foregoing referred to on Schedule A attached hereto; and

b. the right to obtain all renewals thereof.

4. Intent-To-Use Trademarks. Notwithstanding the foregoing, and solely to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable law, the Trademark Collateral shall not include any "intent-to-use" applications for Trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of the Lanham Act has been filed with and accepted by the United States Patent and Trademark Office, and any other Intellectual Property in any jurisdiction where such pledge or security interest would cause the invalidation or abandonment of such Intellectual Property under applicable law, provided that upon such filing and acceptance, such intent-to-use applications shall be included in the Trademark Collateral and automatically subject to the security interest granted herein.

5. Termination. This Agreement shall terminate and the lien on and security interest in the Trademark Collateral shall be released upon the payment in full of the Obligations. Upon the termination of this Agreement, Grantee shall, at Grantor's sole cost and expense, immediately execute all customary documents, make all filings, and take all other actions reasonably requested by Grantor, all in form reasonably satisfactory to Grantee, to evidence and record the release of the lien on and security interests in the Trademark Collateral granted herein, all without representation or warranty.

6. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts, when taken together, shall constitute but one and the same Agreement. Receipt by facsimile or other electronic transmission (including "pdf") of any executed signature page to this Agreement shall constitute effective delivery of such signature page. This Agreement to the extent signed and delivered by means of a facsimile machine or other electronic transmission (including "pdf"), shall be treated in all manner and respects and for all purposes as an original agreement or amendment and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person.

7. Governing Law. THIS AGREEMENT SHALL BE A CONTRACT MADE UNDER AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES (EXCEPT SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATION LAW).
