INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (this “Agreement”) is made as of this 23 day of December, 2022, by FRUIT OF THE EARTH, INC., a Delaware corporation (“Grantor”), in favor of TCW ASSET MANAGEMENT COMPANY LLC, in its capacity as agent for the Lenders defined below.

WHEREAS, pursuant to that certain Term Loan and Security Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, including all exhibits and schedules thereto, the “Term Loan Agreement”) among Grantor (together with any Person joined thereto from time to time as a borrower, collectively the “Borrowers”), the lenders from time to time party thereto (the “Lenders”), and TCW ASSET MANAGEMENT COMPANY LLC, as agent for Lenders (“Term Loan Agent”), the Lenders agreed to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof; and

WHEREAS, pursuant to the Term Loan Agreement, Grantor is required to execute and deliver to Term Loan Agent, for the benefit of the Lenders, this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Term Loan Agreement.

2. GRANT AND REAFFIRMATION OF SECURITY INTEREST. To secure the payment and performance of the Obligations under the Term Loan Agreement, Grantor hereby grants to Term Loan Agent for its benefit and the benefit of the Lenders, and hereby reaffirms its prior grant pursuant to the Term Loan Agreement of a continuing security interest in and Lien on all of Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “IP Collateral”), with power of sale to the extent permitted by law:

(a) all of Grantor’s United States copyrights and copyright applications (collectively, “Copyrights”) and all of the goodwill of the business connected with the use of, and symbolized by, each Copyright, including without limitation those referred to on Schedule 1 hereto;

(b) all of Grantor’s United States patents and patent applications (collectively, “Patents”), and all of the goodwill of the business connected with the use of, and symbolized by, each Patent, including without limitation those referred to on Schedule 1 hereto;

(c) all of Grantor’s United States trademarks, trademark applications, service marks, trade names, mask works (except for any applications filed in the United States Patent and Trademark Office on the basis of such Grantor’s “intent-to-use” such trademark, unless and until acceptable evidence of use of the trademark has been filed

with the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. 1051, et seq.) to the extent, if any, that, and during the period, if any, in which granting a lien in such trademark application prior to such filing would adversely affect the enforceability or validity of such trademark application or of any registration that issues therefrom) (collectively, "Trademarks"), and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including without limitation those referred to on Schedule 1 hereto;

(d) all reissues, continuations or extensions of the foregoing; and

(e) all products and proceeds of the foregoing, including without limitation any claim by Grantor against third parties for past, present or future infringement or dilution of any Copyright, any Patent, or any Trademark.

3. SECURITY FOR OBLIGATIONS. This Agreement and the security interest created hereby secure the payment and performance of all the Obligations under the Term Loan Agreement, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantor to Term Loan Agent, the Lenders or any of them pursuant to the Term Loan Agreement.

4. TERM LOAN AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Term Loan Agent, for the benefit of the Lenders, pursuant to the Term Loan Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Term Loan Agent with respect to the security interest in the IP Collateral made and granted hereby are more fully set forth in the Term Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. REPRESENTATIONS, WARRANTIES AND AGREEMENTS. Grantor hereby represents and warrants to, and agrees with Term Loan Agent and Lenders as follows: Schedule 1 hereto accurately lists all IP Collateral registered with the United States Patent and Trademark Office and the United States Copyright Office as of the date hereof.

6. AUTHORIZATION TO SUPPLEMENT. If Grantor shall obtain rights to any new IP Collateral, this Agreement shall automatically apply thereto. Grantor hereby authorizes Term Loan Agent unilaterally to modify this Agreement by amending Schedule 1 to include any such new IP Collateral or remove any expired IP Collateral, as applicable, of Grantor identified by an update to Schedule 5.9 to the Term Loan Agreement delivered in accordance with Section 9.17 of the Term Loan Agreement. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from Term Loan Agent's continuing security interest in all IP Collateral, whether or not listed on Schedule 1.

7. GOVERNING LAW. This Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise shall, in accordance with Section 5-1401 of the General Obligations Law of the State of New York, be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

8. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

9. CONSTRUCTION. Unless the context of this Agreement clearly requires otherwise, the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference herein to any Person shall be construed to include such Person’s successors and assigns.

*[signature page follows]*

Each of the parties has signed this Agreement as of the day and year first above written.
