INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “IP Security Agreement”) dated as of December 30, 2022 is made by the Person listed on the signature pages hereof (the “Grantor”) in favor of ANTARES CAPITAL LP, as administrative agent (“Agent”) for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Security Agreement referred to therein.

WHEREAS, TRANSYSTEMS PARENT, INC., a Delaware corporation (“Holdings”), TRANSYSTEMS CORPORATION, a Missouri corporation (the “Borrower”), the other Persons (as defined therein) party thereto that are designated as a “Credit Party”, Agent, each Lender from time to time party thereto and each other party thereto have entered into the Credit Agreement dated as of March 31, 2021 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), pursuant to which the Lenders have severally agreed to make Loans, the L/C Issuers to issue Letters of Credit, the Secured Swap Providers to enter into Secured Rate Contracts and the Cash Management Banks to enter into agreements giving rise to Cash Management Obligations upon the terms and subject to the conditions therein.

WHEREAS, in connection with the Fourth Amendment to the Credit Agreement (the “Fourth Amendment”), the Grantor has entered into Supplement No. 3 to the Security Agreement dated as of October 4, 2022 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Supplement”) in order to induce the Lenders to make Loans, the L/C Issuers to issue Letters of Credit, the Secured Swap Providers to enter into Secured Rate Contracts and the Cash Management Banks to enter into agreements giving rise to Cash Management Obligations.

WHEREAS, under the terms of the Security Agreement, the Grantor has granted to Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantor, and has agreed as a condition thereof to execute this IP Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. Grantor hereby grants to Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all of Grantor’s right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by Grantor or in which Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “IP Collateral”):

the registered Trademarks (as defined in the Security Agreement) and Trademarks for which applications are pending in the United States Patent and Trademark Office set forth in Schedule A hereto (excluding any United States “intent-to-use” trademark application prior to the filing and acceptance of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant, attachment or enforcement of a Security Interest hereunder would impair the validity or enforceability of such intent-to-use trademark application or any registration issuing therefrom under applicable federal law).

SECTION 2. Security for Obligations. The grant of a security interest in the IP Collateral by Grantor under this IP Security Agreement secures the payment of all Obligations of Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this IP Security Agreement secures, as to Grantor, the payment of all amounts that constitute part of the secured Obligations and that would be owed by Grantor to any Secured Party under the Loan Documents but for the fact that such secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Credit Party.

SECTION 3. Recordation. This IP Security Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The Grantor authorizes and requests that the Commissioner of Patents and Trademarks record this IP Security Agreement.

SECTION 4. Execution in Counterparts. This IP Security Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic communication (including “.pdf” or “.tif” files) shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, Agent with respect to the IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 6. GOVERNING LAW. THIS IP SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 7. Severability. The illegality or unenforceability of any provision of this Agreement or any instrument or agreement required hereunder shall not in any way affect or impair the legality or enforceability of the remaining provisions of this Agreement or any instrument or agreement required hereunder.

[Signature Pages Follow]

IN WITNESS WHEREOF, the Grantor has caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
