## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (this “**IP Assignment**”), dated as of January 3, 2023, is entered into by and between Jetstream of Houston, LLP, a Texas limited liability partnership (“**Buyer**”), Blasters, Inc., a Florida corporation (“**Blasters**”), and Blasters Technologies, LLC, a Florida limited liability company (“**Technologies**” and together with Blasters, “**Sellers**” and each, a “**Seller**”), pursuant to an Asset Purchase Agreement, among Buyer, Sellers and the other parties thereto, dated as of November 17, 2022 (the “**Purchase Agreement**”). All capitalized terms used in this IP Assignment but not otherwise defined herein have the meanings set forth in the Purchase Agreement.

**WHEREAS**, under the terms of the Purchase Agreement, each Seller agreed to sell, assign, transfer, convey and deliver to Buyer, among other assets, certain intellectual property of such Seller, and has agreed to execute and deliver this IP Assignment.

**NOW THEREFORE, FOR VALUE RECEIVED**, each Seller hereby sells, assigns, transfers, conveys and delivers to Buyer, and its successors and assigns, effective as of the date hereof and pursuant to the Purchase Agreement, free and clear of all liens and encumbrances (other than Permitted Encumbrances), all of such Seller’s right, title and interest in, to and under the Intellectual Property Assets, including all claims, causes of action, and rights to pursue and collect damages, costs, injunctive relief and other remedies for past, current or future infringement of said Intellectual Property Assets, and further including the goodwill associated with Intellectual Property Assets to have and to hold the same forever.

This IP Assignment is executed and delivered pursuant to the Purchase Agreement, and reference to the Purchase Agreement is hereby made for a complete description of the terms on which the Intellectual Property Assets and other assets of Sellers are being conveyed. In the event of any conflict between the terms of this IP Assignment and the Purchase Agreement, the terms of the Purchase Agreement shall control.

The provisions of this IP Assignment shall inure to the benefit of and be enforceable by and against the parties hereto and their respective successors and assigns in accordance with the terms hereof. This IP Assignment may be executed in one or more counterparts, all of which taken together shall constitute one instrument. This IP Assignment may be executed and signatures delivered by facsimile or electronic transmission, which shall constitute original signatures for all purposes. This IP Assignment shall be governed by and construed and interpreted according to the laws of the State of Delaware.

This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, each Seller has duly executed and delivered this IP Assignment as of the date first above written.
