TRADEMARK AND DOMAIN ASSIGNMENT AGREEMENT

This Trademark and Domain Assignment Agreement (the “*Agreement*”) is entered into as of December 30, 2022 by and between Flowonix Medical Incorporated, a Delaware corporation located at 500 International Drive, Suite 200, Mt. Olive New Jersey 07828 (the “*Assignor*”) and FLO (ABC), LLC, a Delaware limited liability company, located at 1738 Belmar Blvd., Belmar, NJ 07719, a Delaware limited liability company (the “*Assignee*”).

WHEREAS, the Assignor and Assignee entered into a general assignment for the benefit of creditors as of December 30, 2022 (the “*General Assignment*”) pursuant to which, among other things, Assignor agreed to transfer to Assignee: (i) all trademark rights and copyrights throughout the world, including any and all applications, registrations, and common law marks, together with the goodwill, domain names, and any other intellectual property of the business associated with and symbolized by same, held by Assignor immediately prior to the consummation of the transactions contemplated by the General Assignment (the “*Assigned Trademarks*”), including those identified in **Schedule A** hereto; and (ii) all of Assignor’s rights, title and interest in all domains, websites, and URLs utilized by Assignor in its business, whether forward facing or internal use (the “*Assigned Domains*”), including those identified in **Schedule B** attached herein;

WHEREAS, Assignor and Assignee desire to memorialize the transfer of the Assigned Trademarks, the Assigned Domains and related rights to Assignee.

NOW, THEREFORE, BE IT KNOWN, pursuant to this Agreement, Assignor has conveyed, assigned, transferred, delivered and set over to Assignee, its successors and assigns, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, all right, title and interest in and to any and all (i) Assigned Trademarks, together with all common law rights therein and the right to sue for past infringement of any and all of said Assigned Trademarks, and (ii) the Assigned Domains, including without limitation any and all registrations, applications, and/or common law rights for the Assigned Domains throughout the world, together with all of the goodwill of Assignor’s business symbolized by or associated with the Assigned Trademarks and the Assigned Domains, and any and all income, royalties, damages and payments now or hereafter due and/or payable with respect thereto including, without limitation, damages and payments for past, present or future infringements.

[Signature page follows]

IN WITNESS WHEREOF, each of Assignor and Assignee has caused this Trademark and Domain Assignment Agreement to be signed by its duly authorized officer as of the date first written above.
