### RECITALS

A. Paragon 28 is party to that certain Intellectual Property Security Agreement (Revolving Loan), by and between Agent and Paragon 28, dated as of May 6, 2021 (as the same may have been amended, modified or supplemented from time to time prior to the date hereof, the "Existing Paragon 28 IP Security Agreement");

B. Paragon Advanced Technologies is party to that certain Intellectual Property Security Agreement (Revolving Loan), by and between Agent and Paragon Advanced Technologies, dated as of July 16, 2021 (as the same may have been amended, modified or supplemented from time to time prior to the date hereof, the "Existing Paragon Advanced Technologies IP Security Agreement", and the Existing Paragon Advanced Technologies IP Security Agreement, together with the Existing Paragon 28 IP Security Agreement, collectively the "Existing IP Security Agreements"; capitalized terms used herein are used as defined in the Existing IP Security Agreements);

C. Grantors wish to amend the Existing IP Security Agreements by supplementing the Intellectual Property Collateral therein with the Intellectual Property listed on the exhibits hereto.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Credit Agreement, each Grantor hereby represents, warrants, covenants and agrees as follows:

### AGREEMENT

To secure its obligations under the Credit Agreement, each Grantor grants and pledges to Agent, for the ratable benefit of the Lenders, a security interest in all of such Grantor's right, title and interest in, to and under its Intellectual Property, other than Excluded Property (each as defined in the Credit Agreement), including, without limitation, the following:

- (a) Any and all Copyrights, including without limitation those set forth on Exhibit A attached hereto, as such exhibit may be further amended, modified or supplemented from time to time;
- (b) Any and all Patents, including without limitation those set forth on Exhibit B attached hereto, as such exhibit may be further amended, modified or supplemented from time to time);
- (c) Any and all Trademarks, including without limitation those set forth on Exhibit C attached hereto, as such exhibit may be further amended, modified or supplemented from time to time; provided, that for the avoidance of doubt, Trademarks shall not include any Intent-to-Use Trademarks; provided further, that upon submission and acceptance by the United States Patent and Trademark Office of an amendment to allege use of an intent-to-use trademark application pursuant to 15 U.S.C. Section

1060(a) (or any successor provision) such intent-to-use application shall constitute Intellectual Property Collateral;

(d) Any and all Mask Works, including, without limitation those set forth on Exhibit D attached hereto, as such Exhibit may be amended, modified or supplemented from time to time;

(e) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

Grantors hereby agree that the Intellectual Property listed on the exhibits hereto shall become a part of the Intellectual Property Collateral in the Existing IP Security Agreements and shall secure all Obligations in accordance with the terms of the Credit Agreement. The exhibits of the Existing IP Security Agreements shall be deemed amended to add the Intellectual Property listed on the exhibits to this Intellectual Property Security Agreement Supplement. The rights and remedies of Agent with respect to the security interests granted herein are without prejudice to, and are in addition to those set forth in the Credit Agreement and the Existing IP Security Agreements.

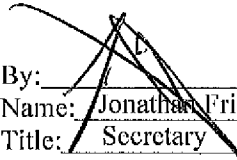

The provisions of the Existing IP Security Agreements regarding choice of law, jurisdiction, venue and jury trial waiver are incorporated herein and shall govern this Intellectual Property Security Agreement Supplement.
