- B. The Administrative Agent caused such Security Agreements to be recorded at the Canadian Intellectual Property Office, the United States Patent and Trademark Office, the United States Copyright Office, or such other office or registry as was appropriate against the Intellectual Property, as applicable, with the recordation details as set out on **Schedule “B”** hereto.
- C. The Administrative Agent wishes to terminate the Security Agreements and to release its security interests thereunder, including its security interest in the Collateral and the Intellectual Property of the Obligors (as those terms are defined in the Security Agreements), including, but not limited to, the intellectual property registrations and applications set forth in **Schedule “A”** hereto.
