TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this “Agreement”), dated as of December 13, 2022 (the “Effective Date”), is made by and between BB Brands Holdings, Inc., a New York corporation (the “Assignor”) and Broadway Briefing, Inc., a Delaware corporation (the “Assignee”).

WITNESSETH:

WHEREAS, Assignee and Assignor entered into that certain General Assignment, Bill of Sale and Assumption Agreement, dated as of December 13, 2022 (the “General Assignment Agreement”);

WHEREAS, pursuant to the General Assignment Agreement, Assignor has contributed, assigned, transferred, conveyed and delivered to Assignee all of the Assignor’s right, title and interest in, to and under all of the trademarks listed in Schedule 1 hereto, together with all goodwill of any business associated therewith, and all applications, registrations and renewals in connection therewith (the “Assigned Trademarks”); and

WHEREAS, Assignee has acquired all of Assignor’s right, title and interest in and to the Assigned Trademarks, and the Parties wish to record such acquisition in the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Definitions. Capitalized terms used herein and not defined herein have the meanings set forth in the General Assignment Agreement.

Section 2. Assignment. Pursuant to the General Assignment Agreement, Assignor hereby contributes, assigns, transfers, conveys and delivers to Assignee, and Assignee hereby accepts from Assignor, all of Assignor’s right, title and interest in and to the Assigned Trademarks, including without limitation, (a) all income, royalties, profits, and damages related thereto; (b) the right, if any, to register, prosecute, maintain and defend the Assigned Trademarks before any public or private agency or registrar; (c) the right to bring actions, defend against or otherwise recover damages or other compensation for past, present or future infringements, dilutions, misappropriations, or other violations of the Assigned Trademarks, including the right to sue and obtain equitable relief in respect of such infringements, dilutions, misappropriations and other violations; and (d) the right to fully and entirely stand in the place of the Assignor in all matters related thereto.

Section 3. Authorization. Assignor hereby authorizes the Commissioner of Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee of all of Assignor’s right, title and interest in and to the Assigned Trademarks in the appropriate jurisdiction and to deliver to Assignee, and to Assignee’s attorneys, agents, successors or assigns, all official documents and communications.

Section 4. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York, without giving effect to any choice of law or conflict of law provision (whether of the State of New York or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of New York.

Section 5. Entire Agreement. This Agreement, together with the General Assignment Agreement and the Schedules hereto and thereto, contain the entire agreement between the parties hereto with respect to the subject matter hereof. This Agreement is subject to all the terms and conditions of the General Assignment Agreement. The Parties intend that this Agreement is for recordation purposes only and its terms shall not modify and shall be subject to the applicable terms and conditions of the Trademark Assignment Agreement, which govern the parties' rights and interests in the Assigned Trademarks.

Section 6. Further Assurances. The Assignor hereby covenants and agrees that it will from time to time after delivery of this Agreement and without further consideration, at the Assignee's request, execute and deliver such further instruments of conveyance and transfer and take such additional actions as the Assignee may reasonably request to effect the intent of this Agreement and to assist the Assignee in preserving or perfecting its rights in the Assigned Trademarks.

Section 7. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall constitute one and the same instrument. Signatures to this Agreement delivered by facsimile or in .pdf or other electronic format shall be acceptable and binding and treated in all respects as having the same effect as an original signature.
