TRADEMARK SECURITY AGREEMENT dated as of January 26, 2023 (this “*Agreement*”), among Minerals Technologies Inc. (the “*Company*”), the other Domestic Subsidiary Loan Parties from time to time party hereto and JPMorgan Chase Bank, N.A. (“*JPMCB*”), as Administrative Agent.

Reference is made to (a) the Credit Agreement dated as of May 9, 2014, (as amended, restated, supplemented or otherwise modified from time to time, the “*Credit Agreement*”), among the Company, the Borrowing Subsidiaries party thereto, the Lenders from time to time party thereto and JPMCB, as Administrative Agent, and (b) the Guarantee and Collateral Agreement dated as of May 9, 2014 (as amended, restated, supplemented or otherwise modified from time to time, the “*Collateral Agreement*”), among the Company, the other Domestic Subsidiary Loan Parties from time to time party thereto and JPMCB, as Administrative Agent. The Lenders and the Issuing Banks have agreed to extend credit to the Company and the Borrowing Subsidiaries subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders and the Issuing Banks to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Domestic Subsidiary Loan Parties party hereto (other than the Company) are Affiliates of the Company and the Borrowing Subsidiaries, will derive substantial benefits from the extension of credit to the Company and the Borrowing Subsidiaries pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders and the Issuing Banks to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Collateral Agreement, as applicable. The rules of construction specified in Section 1.03 of the Credit Agreement also apply to this Agreement, *mutatis mutandis*.

SECTION 2. Grant of Security Interest. As security for the payment in full of the Obligations, each Grantor pursuant to the Collateral Agreement did, and hereby does, grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Grantor or in, to or under which such Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the “*Trademark Collateral*”):

(a)(i) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, domain names, global top level domain names, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar office in any State of the United States of America or any other country or any political subdivision thereof, all extensions or renewals thereof, and all

common law rights related thereto, including, in the case of any Grantor, any of the foregoing set forth under its name on *Schedule I* and (ii) all goodwill associated therewith or symbolized thereby; and

(b) all exclusive Trademark Licenses under which any Grantor is a licensee, including those listed on *Schedule I*.

SECTION 3. Collateral Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.
