INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this “**Assignment**”) is entered into as of the latest signature date indicated in the signature block at the end of this Assignment (the “**Effective Date**”), by and between Clinvest, Inc. (the “**Assignor**”), and Clinvest Research, LLC a Missouri limited liability company (the “**Assignee**”) (collectively, the “**Parties**,” and singularly, each a “**Party**”).

WHEREAS, Assignor is the owner of all right, title, and interest in and to the trademark registration identified in Schedule A attached herein (the “**Assigned IP**”); and

WHEREAS, Assignor desires to transfer and assign the Assigned IP and any and all rights associated therewith to Assignee, and the Parties accordingly wish to execute this recordable instrument, assigning all of Assignor’s right, title and interest in and to the Assigned IP to Assignee.

NOW, THEREFORE, for good and valuable consideration recited in the Agreement, the full receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the Parties hereby agree as follows:

1. Assignment. The Assignor hereby irrevocably sells, assigns, transfers, conveys, and delivers to the Assignee and its successors and assigns all of the Assignor’s right, title and interest in and to the Assigned IP, including all of the Assignor’s right, title and interest in and to any and all trademark rights related to the Assigned IP, including but not limited to the trademark registration listed in Schedule A, and including all state and common law rights and rights in foreign jurisdictions, together with the goodwill of the business symbolized by the trademark rights related to the Assigned IP, and the registrations and applications therefor, including all damages and profits, due or accrued, arising out of past infringements of said trademark rights, and the right to sue for and recover the same, free and clear of all liens, claims, security interests and other encumbrances.

2. Cooperation and Recordation. The Assignor hereby agrees to cooperate with the Assignee as reasonably necessary to give full effect to and perfect the rights of the Assignee in the Assigned IP, and the Assignor agrees to execute and deliver all documents and to take all such other actions as the Assignee or its respective successors or assigns, may reasonably request to effect the terms of this Assignment and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required to effect the terms of this Assignment, including, without limitation, cooperating with the Assignee to perfect the transfer of the Assigned IP hereunder and, if appropriate, to assure that the transfer of the Assigned IP is properly recorded at any appropriate administrative agency or registry, including, but not limited to, the United States Patent and Trademark Office and the United States Copyright Office, all at the Assignee’s sole expense.

3. Miscellaneous.

(a) This Assignment, and all claims relating to or arising out of the relationship of the Parties hereto with respect to the subject matter hereof, shall be governed by, construed under and interpreted in accordance with the laws of the State of Delaware, without giving effect to the principles of conflict of laws thereof that would require the application of any other law.

(b) This Assignment shall be binding upon and inure solely to the benefit of each Party hereto and their respective successors and permitted assigns, and nothing in this Assignment, express or implied, is intended to confer upon any other person any rights or remedies of any nature whatsoever under or by reason of this Assignment.

(c) This Assignment may be executed in counterparts, each of which when so executed and delivered shall be deemed an original, but all of which together shall constitute one and the same instrument.

(d) No amendment of any provision of this Assignment shall be effective, unless the same shall be in writing and signed by the Assignor, on the one hand, and the Assignee, on the other hand. Any failure of any Party to comply with any obligation, agreement or condition hereunder may only be waived in writing by the other Party, but such waiver shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure. No failure by any Party to take any action with respect to any breach of this Assignment or default by another Party shall constitute a waiver of such Party's right to enforce any provision hereof or to take any such action.

(e) In case any term, provision, covenant or restriction contained in this Assignment is held to be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining terms, provisions, covenants or restrictions contained herein, and of such term, provision, covenant or restriction in any other jurisdiction, shall not in any way be affected or impaired thereby.

[Signature page to follow.]

IN WITNESS WHEREOF, the Parties hereto have caused this Assignment to be executed and delivered as of the Effective Date:
