- 4. Business Names and Trademarks**

Registration of a business with the Secretary of State does not in itself establish a trademark for the business name. There is a separate legal process to establish a trademark or service mark. Additionally, registration of a business with the Secretary of State does not authorize the use of a business name in violation of another person's or entity's rights to the name, such as infringement of a trademarked word or phrase.

The Secretary of State's office maintains registration and all updates of California state trademarks and service marks. Information is accessible via our California Trademark Search at imbizfile.sos.ca.gov/search, which also provides free PDF copies of imaged Trademark documents.

For more information on the registration of business names and registering a trademark, visit:

- General provisions governing trademarks and service marks are found in the Model State Trademark Law – [California Business and Professions Code sections 14200 et seq](#)
 - Federal Trademark Act – [United States Code, Title 15, Chapter 22, section 1051 et seq.](#)
 - California Fictitious Business Name Law – [Business and Professions Code section 17900 et seq.](#)
 - Common law rights, including rights to a trade name.
- If you have any questions regarding such rights, please consult a private attorney.

- 5. Nonprofit Corporations**

Nonprofit corporations in California are **not automatically exempt** from paying California franchise taxes or income taxes each year. For information about tax requirements and/or applying for tax exempt status, please contact the appropriate taxing agency listed below. If you are a domestic nonprofit public benefit corporation, you likely have filing requirements with the California Office of the Attorney General. https://oag.ca.gov/sites/all/files/agweb/pdfs/charities/publications/guide_for_charities.pdf.
