RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

This Release of Security Interest in Intellectual Property is made as of June 7, 2023, by STANDARD VENTURES FUND LP (formerly known as 40 North Ventures LP), as collateral agent (“**Investor**”) in favor of ZINC FIVE, INC., a Delaware corporation (“**Company**”) and ZINC FIVE POWER, INC. a Delaware corporation (“**ZincFive Power**”, together with Company, each a “**Grantor**” and collectively “**Grantors**”), each with its principal place of business located at 20170 SW 112th Ave, Tualatin, OR, 97062. Capitalized terms used but not defined herein shall have the meaning set forth in the applicable IP Security Agreement (as defined below).

Recital

WHEREAS, pursuant to that certain Pledge and Security Agreement, by and among Investor and Grantors, dated as of September 18, 2019 (as may have been amended, restated, amended and restated, modified or supplemented from time to time, the “**Pledge and Security Agreement**”), (i) Company executed and delivered in favor of Investor (a) that certain Grant of Patent Security Interest, dated September 18, 2019, which was recorded with the U.S. Patent and Trademark Office (“**USPTO**”) on September 19, 2019, at Reel/Frame 050426/0473 (the “**Patent Security Agreement**”) and (b) that certain Grant of Trademark Security Interest, dated as of September 18, 2019, which was recorded with the USPTO on September 19, 2019, at Reel/Frame 6749/0712 (the “**Company Trademark Security Agreement**”), and (ii) ZincFive Power executed and delivered in favor of Investor that certain Grant of Trademark Security Interest, dated as of September 18, 2019 which was recorded with the USPTO on September 19, 2019, at Reel/Frame 6749/0559 (the “**ZincFive Power Trademark Agreement**” and together with the Patent Security Agreement and the Company Trademark Security Agreement, the “**IP Security Agreements**”).

WHEREAS, pursuant to the Pledge and Security Agreement and the IP Security Agreements, the applicable Grantor granted to Investor a security interest (the “**Security Interest**”) in all of such Grantor’s right, title and interest in and to the Patent Collateral of such Grantor, including the Patents of such Grantor set forth on Exhibit A hereto, and the Trademark Collateral of such Grantor, including the Trademarks of such Grantor set forth on Exhibit B and Exhibit C hereto (collectively, the “**IP Collateral**”); and

WHEREAS, Grantors have requested and Investor has agreed to release the Security Interest in the IP Collateral.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Investor hereby (a) terminates and releases the Security Interest in the IP Collateral, (b) terminates each IP Security Agreement, and (c) reassigns to each Grantor all right, title, and interest of Investor in or to the IP Collateral of such Grantor.

Each Grantor, and any successor to such Grantor (including any person or entity hereafter holding any right, title or interest in or the IP Collateral of such Grantor) or its designee is hereby authorized to record this Release in the USPTO with respect to the IP Collateral of such Grantor.
