NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and does hereby sell, assign, transfer and set over to Assignee the Intellectual Property identified in Schedule A and all intellectual property rights associated therewith, including, but not limited to, all goodwill of Assignor's business associated with said Intellectual Property as set forth in Schedule A together with any trademark and/or service mark applications and/or registrations including the same for the United States and all foreign countries and any registrations that may issue therefor in the United States and any foreign countries; the same to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, for the use and benefit of its successors, assigns or other legal representatives, together with all claims by Assignor for damages by reason of past infringement of any trade or service mark which arises from the Intellectual Property, with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns or other legal representatives.
