EXECUTION VERSION

TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this “Assignment”) is effective as of March 31, 2023, by and between CommScope, Inc. of North Carolina, a North Carolina corporation (“Assignor”) and Digicomm International LLC, a Delaware limited liability company (“Assignee”). Assignor and Assignee are sometimes individually referred to herein as a “Party” and collectively as the “Parties.”

A. Assignor, and Assignee are parties to an Asset Purchase Agreement, dated as of the date hereof (as amended, supplemented, restated or otherwise modified from time to time, the “Purchase Agreement”), pursuant to which and subject to its terms, among other things, Assignor has agreed to sell, convey, assign, transfer and deliver to Assignee, and Assignee has agreed to purchase, accept, and take from Assignor, the Marks (as defined below). The execution and delivery of this Assignment is a condition to the closing of the transactions contemplated by the Purchase Agreement.

B. Capitalized terms used but not defined herein shall have the meaning assigned to such terms in the Purchase Agreement.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby agrees as follows:

1. Assignor does hereby assign to Assignee all of Assignor’s right, title and interest in and to the trademarks, trademark registrations, trademark applications set forth on Schedule 1 (the “Marks”) together with the goodwill of the business symbolized by the Marks.

2. Assignor, subsequent to the date hereof, shall remove reference to the Marks from its website without unreasonable delay and shall not otherwise claim to possess any right, title or interest in and to such Marks and shall take no actions jeopardizing the existence or enforceability of the Marks or Assignee’s rights therein. Assignor will not adopt or use or register or seek to register any name or mark anywhere in the world which is identical in word or design to the Marks or to intentionally suggest some association between Assignor and Assignee or sponsorship and/or endorsement of Assignor by Assignee.

3. Assignor agrees, at Assignee’s request and expense, to reasonably assist Assignee to evidence, record and perfect this Assignment. If any additional documents and instruments are reasonably necessary to perfect Assignee’s right, title, and interest in this Assignment and recordation thereof, on Assignee’s written request and at the Assignee’s expense, Assignor shall execute such documents and instruments prepared by Assignee without undue delay.

4. Notwithstanding any other provision of this Assignment to the contrary, nothing contained in this Assignment shall in any way supersede, modify, replace, amend, change, rescind, waive, exceed, expand, enlarge or in any way affect the provisions, including the warranties, covenants, agreements, conditions, representations or, in general, any of the rights and remedies, or any of the obligations of Assignor set forth in the Purchase Agreement, nor shall this Assignment expand or enlarge any remedies under the Purchase Agreement. This Assignment is intended only to effect the transfer of certain property to be transferred pursuant to the Purchase Agreement and shall be governed entirely in accordance with the terms and conditions of the Purchase Agreement. Nothing in this Agreement shall be construed as conferring upon Assignee any right to include in advertising, packaging or other commercial activities related to the Products (save except as already included in the Purchased Inventory), any reference to Assignor or any of its subsidiaries or Affiliates, or their trade names, trademarks or service marks. Without limiting the foregoing, Assignee acknowledges that Assignor makes no representations or warranties with

respect to the Marks except as specifically set forth in the Purchase Agreement. In the event of any conflict between this Assignment and the Purchase Agreement, the Purchase Agreement shall control.

5. This Assignment shall be governed by and construed in accordance with the internal Laws of the State of Delaware without giving effect to any choice or conflict of Law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of Laws of any jurisdiction other than those of the State of Delaware.

6. This Assignment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Assignment shall become effective when duly executed and delivered by each Party. Counterparty signature pages to this Assignment may be delivered by facsimile or electronic delivery (e.g., by DocuSign or email of a PDF signature page) and each such counterpart signature page shall constitute an original for all purposes.
