3. Covenants and Warranties. MMI Acquisition represents, warrants, covenants and agrees as follows:

business, and with respect to unregistered Intellectual Property, unless Bank is notified otherwise by MMI Acquisition, its use thereof remains unchallenged;

(b) Performance of this IP Agreement does not conflict with or result in a breach of any IP Agreement to which it is bound except to the extent that certain intellectual property agreements prohibit the assignment of the rights thereunder to a third party without the licensor's or other party's consent and this IP Agreement constitutes a security interest;

(c) During the term of this IP Agreement, MMI Acquisition will not transfer or otherwise encumber any interest in the Intellectual Property Collateral except for non-exclusive licenses granted by MMI Acquisition in the ordinary course of business or as set forth in this IP Agreement;

(d) To its knowledge, each of the Patents is valid and enforceable, and no part of the Intellectual Property Collateral has been judged invalid or unenforceable, in whole or in part, and no claim has been made that any part of the Intellectual Property Collateral violates the rights of any third party;

(e) MMI Acquisition shall promptly advise Bank of any material adverse change in the composition of the Collateral, including but not limited to any subsequent ownership right of MMI Acquisition in or to any Trademark, Patent, Copyright or Mask Work specified in this IP Agreement;

(f) MMI Acquisition shall (i) protect, defend and maintain the validity and enforceability of the Trademarks, Patents, Copyrights and Mask Works, (ii) use reasonable efforts to detect infringements of the Trademarks, Patents, Copyrights and Mask Works and promptly advise Bank in writing of material infringements detected, and (iii) not allow any Trademarks, Patents, Copyrights and Mask Works to be abandoned, forfeited or dedicated to the public without the written consent of Bank, which shall not be unreasonably withheld, unless MMI Acquisition determines that reasonable business practices suggest that abandonment is appropriate;

(g) MMI Acquisition shall promptly register the most recent version of any of its Copyrights, if not so already registered, and shall, from time to time, execute and file such other instruments and take such further actions as Bank may reasonably request from time to time to perfect or continue the perfection of Bank's interest in the Intellectual Property Collateral;

(h) This IP Agreement creates, and in the case of after-acquired Intellectual Property Collateral, this IP Agreement will create at the time MMI Acquisition first has rights in such after-acquired Intellectual Property Collateral in favor of Bank a valid and perfected first priority security interest in the Intellectual Property Collateral in the United States securing the payment and performance of the obligations evidenced by the Loan Agreement upon making the filings referred to in clause (i) below;

(i) To its knowledge, except for, and upon, the filing with the United States Patent and Trademark office with respect to the Patents and Trademarks and the Register

of Copyrights with respect to the Copyrights and Mask Works necessary to perfect the security interests created hereunder and except as has been already made or obtained, no authorization, approval or other action by, and no notice to or filing with, any U.S. governmental authority or U.S. regulatory body is required either (i) for the grant by MMI Acquisition of the security interest granted hereby or for the execution, delivery or performance of this IP Agreement by MMI Acquisition in the U.S. or (ii) for the perfection in the United States or the exercise by Bank of its rights and remedies thereunder;

(j) All information heretofore, herein or hereafter supplied to Bank by or on behalf of MMI Acquisition with respect to the Intellectual Property Collateral is accurate and complete in all material respects;

(k) MMI Acquisition shall not enter into any agreement that would materially impair or conflict with its obligations hereunder without Bank's prior written consent, which consent shall not be unreasonably withheld. MMI Acquisition shall not permit the inclusion in any material contract to which it becomes a party of any provisions that could or might in any way prevent the creation of a security interest in MMI Acquisition's rights and interest in any property included within the definition of the Intellectual Property Collateral acquired under such contracts, except that certain contracts may contain anti-assignment provisions that could in effect prohibit the creation of a security interest in such contracts.

(l) Upon any executive officer or manager of MMI Acquisition obtaining actual knowledge thereof, MMI Acquisition will promptly notify Bank in writing of any event that materially adversely affects the value of any material Intellectual Property Collateral, the ability of MMI Acquisition to dispose of any material Intellectual Property Collateral or the rights and remedies of Bank in relation thereto, including the levy of any legal process against any of the Intellectual Property Collateral.

4. Bank's Rights. Bank shall have the right, but not the obligation, to take, at MMI Acquisition's sole expense, any actions that MMI Acquisition is required under this IP Agreement to take but which MMI Acquisition fails to take, after ten (10) days' notice to MMI Acquisition. MMI Acquisition shall reimburse and indemnify Bank for all reasonable costs and reasonable expenses incurred in the reasonable exercise of its rights under this Section 4.

5. Inspection Rights. MMI Acquisition hereby grants to Bank and its employees, representatives and agents the right to visit, during reasonable hours upon prior reasonable written notice to MMI Acquisition, any of MMI Acquisition's plants and facilities that manufacture, install or store products (or that have done so during the prior twelve-month period) that are sold utilizing any of the Intellectual Property Collateral, and to inspect the products and quality control records relating thereto upon reasonable written notice to MMI Acquisition and as often as may be reasonably requested, but not more than once in every twelve (12) months; provided, however, nothing herein shall entitle Bank access to MMI Acquisition's trade secrets and other proprietary information.

6. Further Assurances: Attorney in Fact.

(a) On a continuing basis, MMI Acquisition will, subject to any prior licenses, encumbrances and restrictions and prospective licenses, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places in the United States, all such instruments, including appropriate financing and continuation statements and collateral agreements and filings with the United States Patent and Trademarks office and the Register of Copyrights, and take all such action as may reasonably be deemed necessary or advisable, or as requested by Bank, to perfect Bank's security interest in all Copyrights, Patents, Trademarks and Mask Works and otherwise to carry out the intent and purposes of this IP Agreement, or for assuring and confirming to Bank the grant or perfection of a security interest in all Intellectual Property Collateral.

(b) MMI Acquisition hereby irrevocably appoints Bank as its attorney-in-fact, with full authority in the place and stead of MMI Acquisition and in the name of MMI Acquisition, Bank or otherwise, from time to time in Bank's discretion, upon MMI Acquisition's failure or inability to do so, to take any action and to execute any instrument which Bank may deem necessary or advisable to accomplish the purposes of this Section 6 of this IP Agreement, including:

(i) to modify, in its sole discretion, this IP Agreement without first obtaining MMI Acquisition's approval of or signature to such modification by amending Exhibit A, Exhibit B, Exhibit C and Exhibit D hereof, as appropriate, to include reference to any right, title or interest in any Copyrights, Patents, Trademarks or Mask Works acquired by MMI Acquisition after the execution hereof or to delete any reference to any right, title or interest in any Copyrights, Patents, Trademarks or Mask Works in which MMI Acquisition no longer has or claims any right, title or interest; and

(ii) to file, in its sole discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Intellectual Property Collateral without the signature of MMI Acquisition where permitted by law.

7. Events of Default. The occurrence of any of the following shall constitute an Event of Default under this IP Agreement.

(a) An Event of Default beyond any applicable grace or cure period occurs and is continuing under the Loan Agreement or any document from Borrowers to Bank, or

(b) MMI Acquisition breaches any warranty or agreement made by MMI Acquisition in this IP Agreement and such breach threatens to have or results in a material adverse effect upon any of the Intellectual Property Collateral.

8. Remedies. Upon the occurrence of an Event of Default beyond any applicable grace or cure period and at any time thereafter, Bank shall have the right to exercise all the remedies of a secured party under the Massachusetts Uniform Commercial Code, including without limitation the right to require MMI Acquisitions to assemble the Intellectual Property Collateral and any tangible property in which Bank has a security interest and to make it

available to Bank at a place designated by Bank. Bank shall have a non-exclusive, royalty-free license to use the Copyrights, Patents, Trademarks and Mask Works to the extent reasonably necessary to permit Bank to exercise its rights and remedies upon the occurrence of an Event of Default beyond any applicable grace or cure period and at any time thereafter. MMI Acquisition will pay any expenses (including reasonable attorney's fees) incurred by Bank in connection with the exercise of any of Bank's rights hereunder, including without limitation any expense incurred in disposing of the Intellectual Property Collateral. All of Bank's rights and remedies with respect to the Intellectual Property Collateral shall be cumulative.

9. Indemnity. MMI Acquisition agrees to defend, indemnify and hold harmless Bank and its officers, employees and agents against: (a) all obligations, demands, claims and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this IP Agreement, and (b) all losses or expenses in any way suffered, incurred or paid by Bank as a result of or in any way arising out of; following or consequential to transactions between Bank and MMI Acquisitions, whether under this IP Agreement or otherwise (including without limitation reasonable attorneys' fees and reasonable expenses), except for losses arising from or out of Bank's gross negligence or willful misconduct.

10. Reassignment. At such time as MMI Acquisition shall completely satisfy all of the obligations secured hereunder, Bank shall execute and deliver to MMI Acquisition all deeds, assignments and other instruments as may be necessary or proper to reinvest in MMI Acquisition full title to the property assigned hereunder, subject to any disposition thereof which may have been made by Bank pursuant hereto.

11. Course of Dealing. No course of dealing, nor any failure to exercise, nor any delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

12. Attorneys' Fees. If any action relating to this IP Agreement is brought by either party hereto against the other party, the prevailing party shall be entitled to recover reasonable attorneys' fees, costs and disbursements.

13. Amendments. This IP Agreement may be amended only by a written instrument signed by both parties hereto.

14. Counterparts. This IP Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.
