TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of July 12, 2023, is made by each of the entities listed on the signature pages hereof (each a “Grantor” and, collectively, the “Grantors”), in favor of JPMorgan Chase Bank, N.A. (“JPM”), as administrative agent and collateral agent (in such capacities, together with its successors and permitted assigns, “Agent”) for the Secured Parties (as defined in the Credit Agreement referred to below).

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of July 12, 2023 (including all exhibits and schedules hereto, as the same may be amended, restated, amended and restated, extended, refinanced and/or otherwise modified from time to time, the “Credit Agreement”), by and among Next Glass, Inc., a Delaware corporation (the “Borrower”), Next Glass Parent LLC, a Delaware limited liability company (“Holdings”), the other Credit Parties party thereto, the Lenders and the L/C Issuers from time to time party thereto and Agent, the Lenders and the L/C Issuers have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor has agreed, pursuant to the Guaranty and Security Agreement, dated as of July 12, 2023 in favor of Agent (as the same may be amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the “Guaranty and Security Agreement”), to guarantee the Obligations (as defined in the Credit Agreement) of the Borrower; and

WHEREAS, all of the Grantors are party to the Guaranty and Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises, each Grantor hereby agrees with Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement or Credit Agreement, as applicable.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to Agent for the benefit of the Secured Parties, and grants to Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (to the extent not constituting Excluded Collateral) (the “Trademark Collateral”):

- (a) all of its United States Trademarks (other than Trademarks that are Excluded Collateral), including, without limitation, those registrations and applications referred to on Schedule I hereto;
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing or otherwise with respect thereto, including,

without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Agent pursuant to the Guaranty and Security Agreement, and each Grantor hereby acknowledges and agrees that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between any provision of the Guaranty and Security Agreement and any provision of this Trademark Security Agreement, the provisions of the Guaranty and Security Agreement shall control.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, as between the parties, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions, in each case, subject to its reasonable business judgment, in connection with their Trademarks and IP Licenses subject to a security interest hereunder, consistent with Grantor's obligation and subject to the limitations otherwise set forth in the Guaranty and Security Agreement.

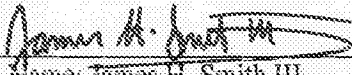

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Agreement by facsimile transmission or by Electronic Transmission shall be as effective as delivery of a manually executed counterpart hereof.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

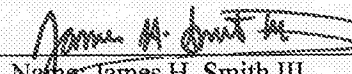

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
