TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT (as amended, restated, supplemented, waived or otherwise modified from time to time) (this "Agreement"), dated as of July 20, 2023, between the Borrower (defined below) party hereto (the "Grantor") and JPMorgan Chase Bank, N.A., in its capacity as the administrative agent (the "Administrative Agent") for the Lenders (defined below).

Reference is made to (a) the Pledge and Security Agreement, dated as of June 17, 2022 (as amended by that certain Amendment No. 3 to Credit Agreement dated as of June 30, 2023, as further amended, restated, supplemented, waived or otherwise modified from time to time, the "Security Agreement") among Pindrop Security, Inc., a Delaware corporation (the "Borrower"), each subsidiary of the Borrower party thereto (together with any additional entities that become parties to the Security Agreement) and the Administrative Agent and (b) the Credit Agreement dated as of June 17, 2022 (the "Credit Agreement" and as amended by that certain Amendment No. 1 to Credit Agreement dated as of April 27, 2023, as further amended by that certain Amendment No. 2 to Credit Agreement dated as of May 29, 2023, as further amended by that certain Amendment No. 3 to Credit Agreement dated as of June 30, 2023, and as further amended, restated, supplemented, or otherwise modified from time to time prior to the date hereof, the "Amended Credit Agreement"), among the Borrower, the other parties from time to time party thereto, the banks and other financial institutions or entities from time to time parties thereto (the "Lenders") and the Administrative Agent.

The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Amended Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantor will derive substantial benefits from the extension of credit to the Borrower pursuant to the Amended Credit Agreement and is willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit and to secure the Secured Obligations.

Accordingly, the parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings specified in the Security Agreement or the Amended Credit Agreement, as applicable. The rules of construction specified in Section 1.03 of the Amended Credit Agreement also apply to this Agreement, *mutatis mutandis*.

SECTION 2. *Grant of Security Interest.* As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and its assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

(a) all trademarks, service marks, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations thereof (if any), and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof (except for “intent to use” applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of the Lanham Act has been filed and accepted, to the extent that, and solely during the period for which, any assignment of an “intent to use” application prior to such filing would violate the Lanham Act), and all renewals thereof, including the United States trademark registrations and registration applications listed on Schedule I hereto (the “Trademarks”);

(b) all goodwill associated with or symbolized by the Trademarks;

(c) all claims for, and rights to sue for, past, present or future infringements of any of the foregoing; and

(d) all income, royalties, damages and payments now or hereafter due and payable with respect to any of the foregoing, including damages and payments for past or future infringement thereof;

provided that the Trademark Collateral shall not include any Excluded Property (as defined in the Security Agreement).

SECTION 3. ***Security Agreement.*** The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. ***Choice of Law.*** THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 5. ***Counterparts.*** This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK].

IN WITNESS WHEREOF, the Grantor and the Administrative Agent have caused this Agreement to be duly executed and delivered as of the date first written above.
