SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the respective meaning given to them in the Security Agreement and the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby assigns and pledges to the Collateral Agent, for the benefit of the Secured Parties, and hereby grants to the Collateral Agent for the benefit of the Secured Parties a continuing security interest in all of its right, title and interest in, to and under all the following Collateral (excluding any Excluded Assets) of such Grantor: (a) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, domain names, fictitious business names, and other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registrations and applications filed in connection therewith, and all extensions or renewals thereof, as well as any unregistered trademarks and service marks, including the Trademarks of such Grantor listed on Schedule I attached hereto, (b) all goodwill connected with the use of and symbolized thereby, (c) all rights to recover for all past, present and future infringements thereof and all rights to sue therefor, and all rights corresponding thereto throughout the world, (d) all income, fees, royalties, damages, claims, warranties, causes of action and payments now and hereafter due and/or payable thereunder or with respect thereto including damages and payments for past, present or future breach or violations thereof, (e) all rights to sue for past, present and future infringements, misappropriations, dilutions or other violations thereof, (f) all licenses, consents, permits, variances, certifications and approvals of governmental agencies now or hereafter held by any Grantor and (g) all other rights, priorities, and privileges accruing thereunder or pertaining thereto.

SECTION 3. The Security Agreement.
