TRADEMARKS SECURITY AGREEMENT

October 4, 2023

WHEREAS, Decks & Docks Lumber Company, LLC, a Florida limited liability company (“Decks and Docks”), and CW Acquisition, LLC, a South Carolina limited liability company (“CW Acquisition”) and together with Decks and Docks, the “Grantors” and each, a “Grantor”) have adopted, used and are using, and hold all right, title and interest in and to, the trademarks and service marks listed on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the “Trademarks”);

WHEREAS, the Grantors have entered into that certain Pledge and Security Agreement, dated October 4, 2023 (as amended, restated, amended and restated, supplemented, modified or otherwise changed from time to time, the “Security Agreement”), in favor of TCW ASSET MANAGEMENT COMPANY LLC, a Delaware limited liability company, as the Collateral Agent for itself and certain lenders (in such capacity, together with its successors and assigns, if any, the “Grantee”); and

WHEREAS, pursuant to the Security Agreement, each Grantor has granted to the Grantee for the benefit of the Secured Parties (as defined in the Security Agreement), a continuing security interest in all right, title and interest of the Grantors in, to and under the Trademarks, together with, among other things, the goodwill of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the “Collateral”), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement); provided that, notwithstanding the foregoing, the Collateral shall exclude any intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed with the United States Patent and Trademark Office, or if filed, has not been deemed in conformance with applicable requirements of, or examined and accepted, respectively, by, the United States Patent and Trademark Office; provided further that, upon such filing and acceptance, such intent-to-use applications shall be included in the definition of Collateral.

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Secured Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor does hereby pledge, convey, assign, transfer and grant to the Grantee for the benefit of the Secured Parties, a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Secured Obligations.

Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. This Trademark Security Agreement constitutes a “Loan Document” under and as defined in the Financing Agreement and is subject to the terms and provisions therein regarding Loan Documents.

[Signature page follows]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the date first written above.
