  - United States Patent D760398-S entitled Lamp for Light Therapy;
- (collectively, “Patent Assets”), as recorded in the United States Patent and Trademark

Office; and

WHEREAS, Assignee desires to acquire all rights in and to the Patent Assets and any other patent(s) (and any reissues or extensions) of Assignor that may be granted in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers, and conveys to Assignee, its successors and assigns, Assignor’s entire right, title, and interest in and to Patent Assets (as well as such rights in any divisionals, continuations in whole or part, provisionals, non-provisionals, substitutes, renewals, reissues, oppositions, continued examinations, reexaminations, or extensions thereof), including the exclusive right for the Assignee to (a) sue for any infringement that may have occurred before the date of this Assignment; (b) file for any provisional, non-provisional, divisional, continuations in whole or part, renewal, substitute, reissue, opposition, continued examination, reexamination, reissue, foreign, or other application based on the disclosure set forth

in any Patent Assets directly in the name of Assignee; and (c) claim any priority rights to which such applications are entitled under international conventions, treaties, or otherwise. Regarding the latter, to the extent any such application or patent generates a “right of priority” and is within the “period of priority” at the date of this Assignment, the Assignor hereby sells, assigns, transfers, and conveys to Assignee such rights of priority. For this Assignment, the expressions “right of priority” and “period of priority” have the meanings given to them in the Paris Convention for the Protection of Industrial Property, as amended from time to time, and shall be understood as including any equivalent expressions in any national or supra-national legislation that gives effect to that Convention.

Assignor further agrees that, upon request and without further compensation, but at no expense to Assignor, Assignor and its applicable officers, trustees or other authorized representatives thereof, and Assignor’s successors and assigns, if applicable, will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing the Patent Assets in the United States and throughout the world, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to the Patent Assets in the United States and throughout the world.

Assignor represents and warrants that Assignor has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any patent granted for any application based on the disclosure set forth in any Patent Asset, or on any subsequently filed provisional, non-provisional, divisional, continuation in whole or in part, reissue, or other extension, to Assignee, its successors and assigns, as the assignee of Assignor’s entire interests in the Patent Assets.

### **Trademarks**

WHEREAS, Assignor is the sole owner of:

- United States Trademark Registration No. 5537235 for OTTLITE WELLNESS SERIES;
- United States Trademark Registration No. 5537233 for A HEALTHIER WAY TO SEE;
- United States Trademark Registration No. 5460508 for WORKWELL BY OTTLITE

- United States Trademark Registration No. 5717740 for CLEARSUN;
- United States Trademark Registration No. 5536732 for OTTLITE WORKWELL SERIES;
- United States Trademark Registration No. 4892253 for SEE CLEARLY AND COMFORTABLY
- United States Trademark Registration No. 3766783 for OTTLITE; and
- United States Trademark Registration No. 1704198 for OTTLITE;

(collectively, "Marks"), as recorded in the United States Patent and Trademark Office; and

WHEREAS, Assignee desires to acquire all rights in and to the Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns, transfers, and conveys to Assignee, its successors and assigns, Assignor's entire right, title, and interest in and to the Marks, together with the goodwill associated therewith, the right to recover for damages and profits and other remedies for past infringements of the Marks, and the right to prosecute this and any other applications or registrations of the Marks.

Assignor further agrees that, upon request and without further compensation, but at no expense to Assignor, Assignor and its applicable officers, trustees or other authorized representatives thereof, and Assignor's successors and assigns, if applicable, will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable to vest Assignee's right, title, and interest in and to the Marks, and to enable such right, title, and interest to be recorded in the United States Patent and Trademark Office and any other appropriate governmental authority or agency of the United States and internationally.

Assignor represents and warrants that Assignor has not granted and will not grant to others any rights inconsistent with the rights granted herein.

If Assignee is unable, for any reason, to obtain the assistance of Assignor, Assignor hereby designates and appoints Assignee as Assignor's agent and attorney-in-fact, with full power of substitution in Assignor's name and stead, to act for and on behalf of Assignor to take any and all steps to vest or perfect rights in Assignee, protect such rights, or enforce any claim or right of any kind with respect those rights. The power of attorney granted under this section is a power coupled

with an interest, and will be irrevocable until all Assignor's obligations are complete and performed in full.

The terms of the Purchase Agreement, including but not limited to Assignor's representations, warranties, covenants, agreements and indemnities relating to the Patent Assets, and the Marks, are incorporated herein by reference. Assignor acknowledges, covenants and agrees that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern, including but not limited to any limitations on liability set forth therein.

Assignee hereby accepts this Assignment.
