## TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment (“**Assignment**”), effective as of December 19, 2023 (the “**Effective Date**”), is made by and between iMaxAlarm LLC, a California Limited Liability Company with an address of 1611 Pomona Road, #D100, Corona, CA 92878 (“**Assignor**”), and Alice Su, a California individual with an address of 303 Berkshire, Irvine, CA 92620 (“**Assignee**”).

WHEREAS, Assignor is the owner of all right, title and interest in and to the trademarks and the corresponding registrations set forth on Exhibit A (collectively, the “Trademarks”), together with the goodwill of the business connected with and symbolized by the Trademarks;

WHEREAS, Assignee wishes to acquire, and Assignor is willing to assign, convey and transfer to Assignee, all right, title and interest in and to the Trademarks, all goodwill associated with the foregoing, and all related and corresponding rights throughout the world, on the following terms and conditions.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor and Assignee, the parties agree as follows:

1. Assignor hereby irrevocably assigns, transfers and conveys to Assignee all of Assignor’s right, title and interest in and to the Trademarks, including (for the avoidance of doubt) any and all registrations, applications, and/or common law rights for the Trademarks throughout the world, together with all of the goodwill of Assignor’s existing and ongoing business symbolized by or associated with the Trademarks, and any and all rights to register, renew, defend, and protect interests therein under the applicable laws of all jurisdictions. Assignor further irrevocably assigns, transfers and conveys to Assignee all claims, demands, income, damages, royalties, payments, accounts and accounts receivable now or hereafter due and/or payable, and rights of action, both statutory and based upon common law, that Assignor has or might have by reason of any past, present or future infringement or other violation of the Trademarks prior to, on, or after the date of this Assignment, together with the right to prosecute such claims, demands, and rights of action in Assignee’s own name.

2. Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as owner of the Trademarks, as Assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. Assignor will promptly execute any additional assignment or other documents reasonably requested by Assignee, its successors and assigns, and do all other lawful acts reasonably necessary to carry out the intent of this Assignment.

4. This Assignment hereto constitutes the entire understanding and agreement of the parties with respect to the subject matter hereof and supersedes any and all written or oral, prior or contemporaneous understandings and agreements. This Assignment may only be amended by written agreement of the parties. This Assignment may be executed in counterparts, each of

which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

5. This Assignment shall be binding upon the parties, their heirs, successors and assigns, and all others acting by, through, with or under their direction, and all those in privity therewith.
