**GRANT OF A SECURITY INTEREST -- TRADEMARKS**

This Trademark Security Agreement (this "Trademark Security Agreement") is made as of January 8, 2024, by each of the undersigned (collectively, the "Grantor"), in favor of Cerberus Business Finance Agency, LLC, in its capacity as collateral agent for itself and the other Secured Parties (together with its successors and assigns in such capacity, "Grantee").

WHEREAS, the Grantor has entered into a Pledge and Security Agreement, dated January 8, 2024 (as amended, restated, amended and restated, supplemented, modified or otherwise changed from time to time, the "Security Agreement"), in favor of Grantee; and

WHEREAS, pursuant to the Security Agreement, the Grantor has assigned to the Grantee and granted to the Grantee for the benefit of the Secured Parties (as defined in the Security Agreement), a continuing security interest in all right, title and interest of the Grantor in, to and under any and all of the trademarks, service marks, logos, and other designations of source listed on the attached Schedule A (excluding, for clarity, any intent-to-use trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office), which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the "Trademarks"), together with, among other things, the goodwill of the business symbolized by the Trademarks, and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the "Collateral"), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement).

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Secured Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor does hereby pledge and grant to the Grantee for the benefit of the Grantee and Secured Parties, a continuing security interest in the Collateral (other than, to the extent provided in the Security Agreement, any Excluded Property).

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Security Agreement, the Security Agreement shall control.

This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same

agreement. Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

*[Remainder of page intentionally left blank]*

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the date first set forth above.

E.R. PLUMBING SERVICES, LLC
