TERM LOAN NOTICE AND CONFIRMATION OF GRANT OF  
SECURITY INTEREST IN TRADEMARKS

NOTICE AND CONFIRMATION OF GRANT OF SECURITY INTEREST IN TRADEMARKS (the "Agreement"), effective as of December 29, 2023, made by PIONEER SAND COMPANY, LLC, a Colorado limited liability company, having a principal place of business at 300 Colonial Center Parkway, Suite 600, Roswell, Georgia 30076 (the "Grantor"), in favor of JPMORGAN CHASE BANK, N.A., a national banking association having a principal place of business at 100 South Dearborn Street, Chicago, IL 60603, as administrative agent and collateral agent (the "Agent") for the several banks and other financial institutions (the "Lenders") from time to time parties to the Second Amended and Restated Term Loan Credit Agreement, dated as of March 23, 2021 (as amended, restated, supplemented, waived or otherwise modified from time to time, together with any agreement extending the maturity of, or restructuring, refunding, refinancing or increasing the Indebtedness under such agreement or successor agreements, the "Credit Agreement"), among SITEONE LANDSCAPE SUPPLY HOLDING, LLC, a Delaware limited liability company (the "Parent Borrower"), SiteOne Landscape Supply, LLC, a Delaware limited liability company (the "OpCo Borrower", and, together with the Parent Borrower, the "Borrowers"), the Agent, and the other parties from time to time party thereto.

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to, amongst other things, make extensions of credit to the Borrowers, the proceeds of which will be used in part to enable the Borrowers to make valuable transfers to one or more of the other Granting Parties in connection with the operation of their respective businesses; and

WHEREAS, in connection with the Credit Agreement, the Borrowers executed and delivered a Term Loan Guarantee and Collateral Agreement, dated as of December 23, 2013, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, the Grantor granted to the Agent for the benefit of the Secured Parties, a security interest in all of its Intellectual Property, including the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrowers and the Subsidiary Borrowers pursuant to the Credit Agreement, the Grantor agrees, for the benefit of the Secured Parties, as follows:

SECTION I. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement or the Security Agreement, as applicable.

SECTION 2. Confirmation of Grant of Security Interest. The Grantor hereby confirms that pursuant to the Security Agreement it granted to the Agent, for the benefit of the Secured Parties, a security interest in all of the Trademarks of the Grantor (including, without limitation, those items listed on Schedule I hereto) and to the extent not otherwise included, all Proceeds and products of any and all of the Trademarks, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations, except that no security interest is or will be granted pursuant hereto in any right, title or interest of the Grantor under or in any Trademark Licenses with Persons that would otherwise be included in the Security Collateral for so long as, and to the extent that, the granting of such a security interest pursuant hereto would result in a breach, default or termination of such Trademark Licenses (in each case, except to the extent that, pursuant to the Code and any other applicable law, the granting of security interests therein can be made without resulting in a breach, default or termination thereof).

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest with the United States Patent and Trademark Office. This Agreement is expressly subject to the terms and conditions of the Security Agreement. The Security Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of a conflict between this Agreement and the Security Agreement, the provisions of the Security Agreement shall prevail.

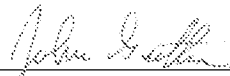

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

\* \* \*

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
