ASSIGNMENT OF TRADEMARK RIGHTS

THIS TRADEMARK ASSIGNMENT (this “Assignment”) is entered into as of the 27th day of October, 2023 (“Effective Date”), by and between **THE ARTS INSTITUTES INTERNATIONAL, LLC**, an Arizona not-for-profit limited liability company (the “Assignor”), and **STUDIO ENTERPRISE, LLC**, a Delaware limited liability company (“Assignee”).

WHEREAS, Assignor is the owner of the trademark registrations listed on Schedule A (collectively, the “Trademarks”); and

WHEREAS, Assignee desires to receive from Assignor all of Assignor’s right, title and interest in and to the Trademarks, and Assignor is willing to assign the Trademarks to Assignee.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, convey and transfer to Assignee all of Assignor’s right, title and interest in and to (i) the Trademarks, (ii) the goodwill of the business symbolized by the Trademarks, (iii) any proceeding, whether accruing before, on, or after the Effective Date, including all rights to and claims for damages, restitution, and injunctive relief and other legal and equitable relief for past, present, and future infringement of the Trademarks, and (iv) any common law rights of Assignor to the Trademarks. The Assignor shall execute and deliver, at the reasonable request of Assignee, such further instruments of conveyance, grant, assignment, transfer, and delivery, and take such other actions, as Assignee reasonably requests to more effectively consummate the transaction contemplated by this Agreement.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States Patent and Trademark Office to record the assignment of the Trademarks of Assignor to, and for the sole use and benefit of, Assignee, its successors and assigns.

Any term or provision of this Assignment that is invalid or unenforceable in any jurisdiction will be, as to that jurisdiction, ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms or provisions of this Assignment or affecting the validity or enforceability of any of the terms or provisions of this Assignment in any other jurisdiction. Upon such determination that any term or provision of this Assignment is invalid or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to give effect to the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the Transactions be consummated as originally contemplated to the greatest extent possible.

[Signature Page To Follow]

IN WITNESS WHEREOF, each of the Parties, intending to be legally bound, has caused an authorized representative of such Party to duly execute and deliver this Agreement on behalf of such Party, as of the Effective Date.
