WITNESSETH:

WHEREAS, the Assignor owns the trademarks and service marks listed on Schedule A attached hereto (the “Trademarks”) that are registered with the United States Patent and Trademark Office;

WHEREAS, pursuant to that certain Asset Purchase Agreement, dated as of the date hereof (the “Purchase Agreement”), by and between the Assignor, the Assignee and certain other parties thereto, the Assignor has agreed to convey and transfer certain Intellectual Property Rights, including, without limitation, the Trademarks, to the Assignee; and

WHEREAS, the Assignee desires to acquire all right, title and interest in, to and under the Trademarks and the goodwill associated therewith.

NOW, THEREFORE, in consideration of the mutual promises set forth in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. All capitalized words and terms used in this Trademark Assignment and not otherwise defined herein shall have the respective meanings ascribed to them in the Purchase Agreement.

2. The Assignor hereby transfers, assigns, and conveys to the Assignee, its successors and assigns, all right, title and interest throughout the world in and to the Trademarks and the registrations and applications for registration, together with the goodwill of the Business connected with and symbolized by the Trademarks and all rights and powers arising or accrued therefrom. The Assignor further assigns and transfers to the Assignee any income, royalties, damages, or payment due or payable as of the date hereof or hereafter with respect to the Trademarks, including, without limitation, any claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademarks, with the right to sue for, and collect the same for the Assignee’s own use and enjoyment, and for the use and enjoyment of its successors and assigns.

3. The Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office to record and register this Trademark Assignment upon request by the Assignee. Following the date hereof, upon the Assignee’s reasonable request, and at the Assignee’s sole cost and expense, the Assignor shall take such steps and actions, and provide such cooperation and assistance to the Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Trademarks to the Assignee, or any assignee or successor thereto.

4. No provision of this Trademark Assignment shall be deemed to enlarge, alter or amend the terms or provisions of the Purchase Agreement, and this Trademark Assignment shall not create any additional obligation or liability for the Assignor or the Assignee beyond those already specified in or contemplated by the Purchase Agreement. Notwithstanding anything to the contrary set forth herein, if there is any conflict between the terms and conditions of this Trademark Assignment and the terms and conditions of the Purchase Agreement, the terms and conditions of the Purchase Agreement shall control.
