TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (this “*Agreement*”) is made and entered into as of January 12, 2024 by and between Sprecher Brewing Company, LLC, a Wisconsin limited liability company (“*Assignee*”) and JVEB, Inc., a Delaware corporation (“*Assignor*”).

RECITALS

WHEREAS, Assignor and Assignee are among the parties to that certain Asset Purchase Agreement, dated as even date herewith (the “*Purchase Agreement*”), pursuant to which Assignee has agreed to purchase from Assignor certain assets of Assignor, including all of Assignor’s right, title and interest in and to those trademarks, service marks, and trade names listed in **Schedule I** hereto (all such trademarks, service marks, and trade names referred to collectively as the “*Assigned Trademarks*”).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee each hereby agree as follows:

1. **Assignment.** Assignor hereby irrevocably sells, assigns, transfers, conveys and delivers to Assignee and its successors and assigns, and Assignee hereby purchases and accepts from Assignor, all of Assignor’s right, title and interest in, to and under the Assigned Trademarks, including, without limitation, all common law rights for which no applications or registrations exist, all applications to register any of the Assigned Trademarks, and all registrations that have been or may be granted for any of the Assigned Trademarks, together with all common law rights, and all goodwill associated with the Assigned Trademarks and symbolized thereby, and that portion of the business which is ongoing and existing to which the Assigned Trademarks pertain, together with all claims that it might have, at law or in equity, including the right to sue and recover damages, for future, present and past infringements of the Assigned Trademarks and to fully and entirely stand in the place of Assignor in all matters related to the Assigned Trademarks.

2. **Further Assurances.**

(a) Assignor agrees to execute and deliver such other documents and to take all such other actions which Assignee, its successors and/or assigns may reasonably request to effect the terms of this Agreement, and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required to effect the terms of this Agreement and its recordation in relevant state and national trademark offices.

(b) Assignor grants the attorney of record the power to insert on this Agreement any further identifying information describing the parties or marks listed in **Schedule I** hereto, that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office, or rules of other entities including but not limited to United States or foreign governments or patent and trademark offices, for recordation of this document.

(c) Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any officer of any country or countries foreign to the United States, to record Assignee as assignee and owner of the items listed on **Schedule I** hereto.

(d) Assignor represents that Assignor has the rights, titles, and interests to convey as set forth herein, and covenants to Assignee that Assignor has not made and will not hereafter make any assignment, grant, mortgage, license, or other agreement affecting the transfer of all rights, titles, and interests herein conveyed; provided that, for clarity, the foregoing shall not expand Assignor's representations or warranties as to validity, enforceability, subsistence, or non-infringement as set forth in the Purchase Agreement.

(e) Assignor hereby constitutes and appoints Assignee, its successors and assigns, as Assignor's true and lawful attorney, with full power of substitution, in Assignor's name and stead, on behalf of and for the benefit of Assignee, its successors and assigns, to demand and receive any and all of the Assigned Trademarks and to give receipts and releases for and in respect of the Assigned Trademarks, or any part thereof, and from time to time to institute and prosecute in Assignor's name, at the sole expense and for the benefit of Assignee, its successors and assigns, any and all proceedings at law, in equity or otherwise, which Assignee, its successors and assigns, reasonably may require for the collection or reduction to possession of any of the Assigned Trademarks. Assignor hereby declares that the foregoing powers are coupled with an interest and are and shall be irrevocable and, accordingly, may not be revoked by Assignor in any manner or for any reason whatsoever.

3. Miscellaneous.

(a) This Agreement will be governed by and construed in accordance with the laws of the State of Delaware without reference to such state's principles of conflicts of law.

(b) This Agreement may not be supplemented, altered or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Agreement shall not waive any of its rights under such terms or provisions. This Agreement shall bind and inure to the benefit of the respective parties and their assigns, transferees and successors.

(c) This Agreement shall extend to, inure to the benefit of, and be binding upon the parties hereto and their respective directors, officers, partners, proprietors, agents, employees, representatives, affiliates, successors, heirs and assigns.

(d) This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties hereto and delivered to the other parties hereto; it being understood that all parties hereto need not sign the same counterpart. The delivery by facsimile or by electronic delivery in PDF format (or any electronic signature complying with the U.S. federal ESIGN Act of 2000) of this Agreement with all executed signature pages (in counterparts or otherwise) shall be sufficient to bind the parties hereto to the terms and conditions set forth herein. All of the counterparts will together constitute one and the same instrument and each counterpart will constitute an original of this Agreement.
