THIS ASSIGNMENT is made December 4, 2019

BETWEEN

NOV Condor, LLC of 7909 Parkwood Circle Drive, Houston, Texas 77036 (hereinafter called the "Assignor") of the one part; and

National Oilwell Varco, L.P. of 7909 Parkwood Circle Drive, Houston, Texas 77036 (hereinafter called the "Assignee") of the other part

(this "Assignment").

WHEREAS

- A) The Assignor is the proprietor of trade mark registrations and trade mark applications, including those listed in Appendix 1 attached hereto (hereinafter called the "Trade Marks").
- B) The Assignor is also the proprietor of patents and patent applications, including those listed in Appendix 1 attached hereto, all related patent applications, including divisional, continuation, continuation in part, reexam, and reissue patent applications, and all patents to grant therefrom (hereinafter called the "Patents").
- C) The Assignor and the Assignee have agreed that the Assignor shall assign all of the Trade Marks and the Patents owned by the Assignor to the Assignee on the terms hereinafter appearing.

GENERAL TERMS

1. Appendix 1 forms part of this Assignment and shall have effect as if set out in full in the body of this Assignment. Any reference to this Assignment includes Appendix 1.
2. This Assignment shall be binding on, and inure to the benefit of, the parties to this Assignment and their respective personal representatives, successors and permitted assigns, and references to any party shall include that party's personal representatives, successors and permitted assigns.

3. Any words following the terms including, include, in particular, for example or any similar expression shall be construed as illustrative and shall not limit the sense of the words, description, definition, phrase or term preceding those terms.

NOW THIS ASSIGNMENT WITNESSES AS FOLLOWS:

4. For good and valuable consideration, the receipt of which the Assignor expressly acknowledges, the Assignor hereby assigns to the Assignee absolutely with full title guarantee all its right, title and interest in and to all of its Patents and Trade Marks, including:
 - a. the absolute entitlement to any registrations granted pursuant to any of the applications comprised in all Patents and Trade Marks;
 - b. the absolute entitlement to any registrations comprised in all Patents and Trade Marks;
 - c. all goodwill attaching to all Trade Marks and in respect of the business relating to the goods or services for which the Trade Marks are registered or used; and
 - d. the right to bring, make, oppose, defend or appeal proceedings, claims or actions, and obtain relief and to retain any damages recovered, in respect of any infringement, or any other cause of action arising from ownership, of any of the Patents or the Trade Marks, whether occurring before, on, or after the date of this Assignment.
5. The Assignor will at the expense of the Assignee do all things necessary to vest all Trade Marks and rights comprised in and attaching to all Trade Marks in the Assignee, including by executing any documents or doing any thing reasonably required by the Assignee in respect thereof. Without prejudice to the foregoing, the Assignor agrees and consents to the authorised representatives of the Assignee (at the Assignee's expense) acting and signing on its behalf in the doing of any thing necessary to vest title as aforesaid. The Assignor further

agrees that it shall on the Assignee's request provide to the Assignee all papers and title documents relating to all Trade Marks.

6. Each party represents, warrants, and covenants to the other party that:
 - a. such party has the full power, authority and legal right to enter into and perform this Assignment; and
 - b. this Assignment is a legal, valid and binding obligation of such party, enforceable against such party in accordance with its terms.

Signature Page Follows.

IN WITNESS whereof the parties have executed this Assignment by their duly authorised officers the day and year first above written.
