ASSIGNMENT OF TRADEMARK REGISTRATIONS

This ASSIGNMENT OF TRADEMARK REGISTRATIONS (this "Assignment") is entered into as of March 13, 2024 by and between Viacom International Inc., a Delaware corporation with its principal place of business at 1515 Broadway, New York, NY 10036 ("Assignor"), and Save The Music Foundation, a New York not-for-profit corporation, with its principal place of business at 1515 Broadway, 20th Floor, New York, New York 10036 ("Assignee").

W I T N E S S E T H:

WHEREAS, for good and valuable consideration, Assignor has agreed to assign to Assignee those certain United States Trademark Registrations set forth in Schedule A attached hereto and made a part hereof (collectively, the "Trademark Registrations"), of which Assignor is the sole owner of record free and clear of all liens;

WHEREAS, to perfect the rights of ownership of Assignee in said Trademark Registrations, Assignor desires to assign One Hundred Percent (100%) of Assignor's right, title and interest in and to the Trademark Registrations to Assignee in accordance with the terms and conditions of this Assignment.

NOW, THEREFORE, in consideration of the provisions set forth hereinabove and hereinbelow, and in further consideration of the sum of Ten Dollars and 00/100 (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by each party, one to the other, it is agreed as follows:

1. Assignor does hereby assign and set over to Assignee, its successors and assigns, effective as of March 13, 2024, One Hundred Percent (100%) of the right, title, and interest of Assignor in and to the Trademark Registrations, as well as the goodwill associated with the Trademark Registrations, the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with rights to all income derived from the Trademark Registrations after the execution of this Assignment, including all claims for damages for past infringement thereof, with the right but not the obligation to sue for, and collect the same for its own use and benefit, and for the benefit of its successors and assigns or other legal representatives.

2. All of the "WHEREAS" clauses set forth above are hereby expressly incorporated by reference into this Assignment as if fully set forth herein at length and shall be binding upon the parties hereto.

3. This Assignment and the rights and obligations of the undersigned parties shall be governed by and construed according to the laws of the State of New York, without giving effect to principles of conflicts of laws.

4. The provisions of this Assignment are severable. If a court of competent jurisdiction rules that any provision of this Assignment is invalid or unenforceable, such provision shall be replaced by another provision which is valid and enforceable and most closely approximates and gives effect to the intent of the invalid or unenforceable provision. Furthermore, such ruling shall not affect the validity or enforceability of any other provision of this Assignment.

5. This Assignment may be executed in any number of counterparts, any of which may be executed and transmitted by facsimile or other electronic method (e.g., DocuSign), and each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the undersigned have executed this Assignment as of the effective day indicated above.
