SECURITY AGREEMENT

THIS PATENT, COPYRIGHT AND TRADEMARK SECURITY AGREEMENT (the “Agreement”) is made as of March 19, 2024 between the grantors identified on the signature pages hereto (whether one or more, each, together with its successors and permitted assigns, a “Grantor” and collectively, the “Grantors”) and **LEGACY CORPORATE LENDING, LLC**, a Delaware limited liability company, individually and as agent for the Lender Parties defined below (“Secured Party”). All capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Loan Agreement (as defined below).

RECITALS

A. **FAIRWAY LUMBER CO., INC.**, a Massachusetts corporation (the “Company”), the other Credit Parties from time to time party thereto, Secured Party, the lenders from time to time party thereto (collectively, the “Lenders”) and the other Lender Parties have entered into that certain Loan and Security Agreement of even date herewith, pursuant to which the Lenders have agreed to extend a revolving line of credit to and the LC Issuer has agreed to issue Letters of Credit for the benefit of Borrowers on the terms and conditions set forth therein (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Loan Agreement”).

B. In order to induce Lender Parties to enter into the Loan Agreement and the transactions contemplated thereby, and as a condition thereto, each Grantor is required to execute and deliver to Secured Party, for the benefit and on behalf of the Lender Parties, this Agreement and pursuant hereto to assign and grant to Secured Party, on behalf of the Lender Parties, a security interest (to the extent any grant of a security interest is not prohibited by applicable law or governmental authority) in and to all of such Grantor’s right, title, and interest in the Intellectual Property Collateral (as defined below). Any such Intellectual Property Collateral that is registered or has a pending application is listed on Schedule A attached hereto and incorporated herein by reference, as the same may be amended and supplemented from time to time.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Grant of Security Interest. As collateral security for the prompt and punctual payment and performance of the Secured Obligations and for the prompt performance by Grantors of their obligations and undertakings under this Agreement and the other Loan Documents, each Grantor hereby grants to Secured Party, for the benefit of Lender Parties, a security interest in all of the Intellectual Property Collateral of such Grantor, whether now owned or hereafter acquired by such Grantor, and hereby grants, pledges and hypothecates such Intellectual Property Collateral to Secured Party, for the benefit of Lender Parties.

2. Representations, Warranties and Covenants. Each Grantor hereby covenants, warrants and represents that:

(a) Set forth on Schedule A attached hereto is a true and complete list as of the date hereof of all Intellectual Property Collateral of such Grantor that is registered or has a pending application with the United States Patent and Trademark Office or the United States Copyright Office or is otherwise material to the Grantors' business.

(b) The Grantor listed on Schedule A as the owner of any Intellectual Property Collateral is the sole and exclusive owner of all such Intellectual Property Collateral, free and clear of all liens and encumbrances, except for the security interest and assignment created by this Agreement and the other Loan Documents and Permitted Liens. Each Grantor will defend the right, title and interest in and to its Intellectual Property Collateral against any and all claims of any third parties.

(c) All Intellectual Property Collateral of such Grantor is valid and enforceable and is not subject to any claim, judgment or administrative or arbitral decision that questions its validity or enforceability, any Grantor's purported rights thereunder or any Grantor's rights to use the same in its business.

(d) The execution, delivery and performance of this Agreement by such Grantor does not (i) violate, conflict with, result in a breach of, constitute a default under, result in the termination of, or result in the creation of any encumbrances upon any of the Intellectual Property Collateral of such Grantor, under any agreement to which any Grantor is a party or by which any Grantor is bound, or (ii) violate any laws, rules, regulations or orders applicable to any of the Intellectual Property Collateral.

(e) Such Grantor has used, and will continue to use for the duration of this Agreement, reasonably consistent standards of quality in the manufacture of the products sold under the Trademarks or utilizing any Patents, Copyrights or Other Assets.

(f) Such Grantor shall maintain and protect the validity and enforceability of its Intellectual Property Collateral and shall take any and all actions as are necessary or appropriate to properly maintain, protect, preserve, care for, and enforce any of its Intellectual Property Collateral, including, without limitation, payment when due of such fees, taxes, and other expenses which shall be incurred or which shall accrue with respect to any of its Intellectual Property Collateral, except those which are being contested in good faith by appropriate proceedings diligently conducted and for which adequate reserves have been provided in accordance with GAAP.

(g) Upon Secured Party's request, Grantors shall cause this Agreement to be properly recorded with the United States Patent and Trademark Office, the United States Copyright Office, and any other government or public office or agency of the United States of America, as applicable, and, except for such filing of this Agreement or the filing of any UCC financing statements, no authorization, approval or other action by, and no

notice to or filing with, any governmental authority or regulatory body of the United States of America or any foreign country is required either (i) for the grant by Grantors of the security interest granted hereby or for the execution, delivery or performance of this Agreement by Grantors or (ii) for the perfection or the exercise by Secured Party of its rights and remedies hereunder.

(h) All information heretofore, herein or hereafter supplied to Secured Party by or on behalf of such Grantor with respect to any of its Intellectual Property Collateral is accurate and complete in all material respects.

3. Additional Intellectual Property Collateral. If, before the Secured Obligations shall have been satisfied in full, any Grantor shall obtain rights to any new Intellectual Property Collateral not listed in Schedule A, the provisions of this Agreement shall automatically apply thereto (to the extent the grant of a security interest therein is not prohibited by applicable law or governmental authority), and to the extent an application for registration of such Intellectual Property Collateral is made, such Grantor shall (a) give Secured Party prompt written notice thereof and, (b) upon Secured Party's request, execute, deliver and file any agreements, instruments, registrations and filings which Secured Party may reasonably request to confirm Secured Party's security interest therein and to put such security interest of record in such office. Each Grantor hereby appoints Secured Party as its attorney in fact, and hereby acknowledges and agrees that such power of attorney is irrevocable and coupled with an interest.

4. Revision of Schedule A. Each Grantor hereby authorizes Secured Party to modify this Agreement by amending Schedule A to include any new Intellectual Property Collateral (to the extent the grant of a security interest therein is not prohibited by applicable law or governmental authority) without the necessity of any Grantor's approval of or signature to such amendment, and each Grantor shall do all such other acts (at its own expense) deemed reasonably necessary or appropriate by Secured Party to implement or preserve Secured Party's interests therein. All representations and warranties of Grantors set forth herein shall be deemed to be restated by Grantors as of the date of any such amendment of or supplement to Schedule A with full force and effect as though made on such date.

5. Remedies Upon Event of Default. If any Event of Default shall have occurred and be continuing, Secured Party shall have, in addition to all other rights and remedies given by this Agreement, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any applicable jurisdiction and, without limiting the generality of the foregoing, Secured Party may immediately, without demand of performance and without other notice (except as set forth below) or demand whatsoever to Grantors, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, at a location reasonably convenient to Secured Party and Grantors, as determined in good faith by Secured Party, or elsewhere, all or from time to time any part of the Intellectual Property Collateral, or any interest which Grantors may have therein, and after deducting from the proceeds of sale or other disposition of any part of the Intellectual Property Collateral all

expenses payable by Grantors in accordance with the Loan Agreement and the other Loan Documents (including all reasonable out-of-pocket expenses for broker's fees and legal services), shall apply the residue of such proceeds to the payment of the Secured Obligations. Notice of any sale or other disposition of any part of the Intellectual Property Collateral shall be given to Grantors at least ten (10) days before the time of any intended public or private sale or other disposition thereof is to be made, which Grantors hereby agree shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, Secured Party may, to the extent permissible under applicable law, purchase the whole or any part of any of the Intellectual Property Collateral sold, free from any right of redemption on the part of Grantors, which right is hereby waived and released. In addition to the foregoing, if any Event of Default has occurred and is continuing:

(a) Secured Party may license, or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any Copyrights, Patents or Trademarks included in the Intellectual Property Collateral throughout the world for such term or terms, on such conditions and in such manner as Secured Party shall in its sole discretion determine;

(b) Secured Party may (without assuming any obligations or liability thereunder), at any time and from time to time, in its sole discretion, enforce (and shall have the exclusive right to enforce) against any licensee or sublicensee all rights and remedies of Grantors in, to and under any Copyright Licenses, Patent Licenses or Trademark Licenses and take or refrain from taking any action under any thereof, and EACH GRANTOR HEREBY RELEASES SECURED PARTY AND THE LENDER PARTIES FROM, AND AGREES TO HOLD SECURED PARTY AND THE LENDER PARTIES FREE AND HARMLESS FROM AND AGAINST, ANY CLAIMS AND EXPENSES ARISING OUT OF ANY LAWFUL ACTION SO TAKEN OR OMITTED TO BE TAKEN WITH RESPECT THERETO; and

(c) upon request by Secured Party, Grantors will execute and deliver to Secured Party a power of attorney, in form and substance satisfactory to Secured Party, for the implementation of any lease, assignment, license, sublicense, grant of option, sale or other disposition of a Copyright, Patent or Trademark or any action related thereto. In the event of any such disposition pursuant to this Section, Grantors shall supply its know-how and expertise relating to the manufacture and sale of the products bearing Trademarks or the products or services made or rendered in connection with Patents, and its customer lists and other records relating to such Patents or Trademarks and to the distribution of said products, to Secured Party.

6. Termination. It is contemplated by the parties that there may be times when no Secured Obligations are outstanding, but notwithstanding such occurrences, this Agreement shall remain valid and shall be in full force and effect as to subsequent outstanding Secured Obligations. Subject to the terms of the Loan Agreement, at such time as the Secured Obligations shall be paid and satisfied in full, the Loan Agreement shall have terminated and the commitment of the Lenders and LC Issuer to extend credit to the Borrowers shall have terminated, this Agreement shall terminate and Secured Party

shall execute and deliver to Grantors, at Grantors' expense, all deeds, assignments, termination statements under the Uniform Commercial Code, and other instruments as may be necessary or proper to release Secured Party's security interest in and/or re-vest in Grantors full title to any part of the Intellectual Property Collateral, subject to any disposition thereof which may have been made by Secured Party pursuant hereto.

7. Fees and Expenses. Any and all fees, costs and expenses, of whatever kind or nature, including the reasonable out-of-pocket attorneys' fees and legal expenses incurred by Secured Party in connection with defending or prosecuting any actions or proceedings arising out of or related to any part of the Intellectual Property Collateral, shall be borne and paid by Grantors on demand by Secured Party and until so paid shall be added to the principal amount of the Secured Obligations and shall bear interest at the highest rate prescribed in the Loan Agreement.

8. Protection of Intellectual Property Collateral. Grantors agree to take, at its own expense, commercially reasonable steps to prosecute diligently any applications related to any Intellectual Property Collateral pending as of the date of this Agreement or thereafter and will defend and protect the Intellectual Property Collateral and its rights thereunder against any infringement, dilution or misappropriation and will defend any claim or administrative or arbitral challenge that questions the validity or enforceability of the Intellectual Property Collateral, Grantors' purported rights therein and thereunder or Grantor's rights to register or patent the same or to use and practice the same in its business. Grantors will give Secured Party notice of any proceeding in which such defense is being carried on. Grantors further agree to make federal application on registrable but unregistered Trademarks, Copyrights or Patents. Any expenses incurred in connection therewith shall be borne by Grantors. Except as permitted by the Loan Agreement, Grantors shall not abandon or dedicate to the public any of the Intellectual Property Collateral, nor do any act nor omit to do any act if such act or omission is of a character that tends to cause or contribute to the abandonment or dedication to the public of any part of the Intellectual Property Collateral or loss of or adverse effect on any rights in any part of the Intellectual Property Collateral, without the consent of Secured Party, which consent shall not be unreasonably withheld.

9. Grantor's Right to Protect. Grantors shall have the right to bring any opposition proceedings, cancellation proceedings or lawsuit in its own name to enforce or protect any part of the Intellectual Property Collateral, in which event Secured Party may, if necessary, be joined as a nominal party to such suit if Secured Party shall have been satisfied that it is not thereby incurring any risk of liability because of such joinder. **GRANTORS SHALL PROMPTLY, UPON DEMAND, REIMBURSE AND INDEMNIFY SECURED PARTY FOR ALL DAMAGES, COSTS AND EXPENSES, INCLUDING ATTORNEYS' FEES, INCURRED BY SECURED PARTY IN THE FULFILLMENT OF THE PROVISIONS OF THIS SECTION 11 IN ACCORDANCE WITH THE TERMS OF THE LOAN AGREEMENT.**

10. Power of Attorney. Grantors hereby appoint Secured Party as Grantor's true and lawful attorney-in-fact and proxy with full authority in the place and stead of Grantors

and in the name of Grantors, or otherwise, from time to time in Secured Party's discretion after an Event of Default has occurred and during its continuance, to take any action and to execute any instrument which Secured Party may deem necessary or advisable to accomplish the purposes of this Agreement, including any endorsement of Grantor's name on all applications, documents, papers and instruments necessary for Secured Party to use any of the Intellectual Property Collateral, or any grant or issuance of any exclusive or non-exclusive license under any of the Intellectual Property Collateral to anyone else, or necessary for Secured Party to assign, pledge, convey or otherwise transfer title in or dispose of any of the Intellectual Property Collateral to anyone else. Grantors hereby ratify all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is irrevocable coupled with an interest.

11. Secured Party's Rights to Take Action. If any Grantor fails to comply with any of its obligations hereunder after reasonable request by Secured Party and after giving effect to any applicable grace periods, Secured Party may do so in such Grantor's name or in Secured Party's name, but at such Grantor's expense, and such Grantor hereby agrees to reimburse Secured Party in full for all expenses, including reasonable attorneys' fees, incurred by Secured Party in protecting, defending and maintaining any of the Intellectual Property Collateral.

Any and all rights and interests of Secured Party in and to the Intellectual Property Collateral (and any and all obligations of Grantors with respect to the Intellectual Property Collateral) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of Secured Party (and the obligations of Grantors) in, to, or with respect to the Collateral (including Intellectual Property Collateral) provided in or arising under or in connection with the other Loan Documents. In the event of a conflict between the terms of this Agreement and the terms of the Loan Agreement, the terms of the Loan Agreement shall control.

13. Preservation of Rights. No course of dealing between Grantors and Secured Party, nor any failure to exercise, nor any delay in exercising, on the part of Secured Party, any right, power or privilege hereunder or under the Loan Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Rights are Cumulative. All of Secured Party's rights and remedies with respect to any of the Intellectual Property Collateral, whether established hereby or by the

Loan Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently.
