TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this “**Assignment**”) is made and entered into as of April 4, 2024 (the “**Effective Date**”) by and between Crosman Corporation, a Delaware corporation with an address at 7629 Routes 5 & 20, Bloomfield, NY 14469 (“**Assignor**”) and Ravin Crossbows, LLC, a Wisconsin limited liability company with an address at 3535 Tower Ave, Superior, Wisconsin, 54880 (“**Assignee**”). Assignor and Assignee are individually referred to herein as a “**Party**,” and collectively as the “**Parties**.”

WHEREAS, the Parties desire that Assignor transfer to Assignee all of the right, title and interest of Assignor in and to the trademarks and trademark applications (together with all goodwill associated therewith and symbolized thereby in each case) set forth on Attachment A attached hereto (collectively, the “**Assigned Marks**”); and

WHEREAS, Assignee wishes to acquire all of Assignor’s right, title and interest in and to the Assigned Marks, and Assignor wishes to assign such right, title and interest in and to such Assigned Marks to Assignee.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein contained, and intending to be legally bound hereby, the Parties agree as follows:

1. Transfer of Assigned Marks. Assignor does hereby irrevocably sell, transfer, convey, assign and deliver to Assignee and its successors and assigns, and Assignee does hereby unconditionally accept: (a) all of Assignor’s right, title and interest in and to the Assigned Marks (but excluding in all cases all intent-to-use United States trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office, provided that upon such filing and acceptance, such intent-to-use applications shall be included in the definition of Assigned Marks); (b) all royalties, fees, income, payments, and other proceeds now or hereafter due or payable to the Assignor with respect to any of the foregoing; (c) all claims, causes of action and enforcement rights, whether currently pending, filed, or otherwise, with respect to the Assigned Marks, including all rights to damages, injunctive relief and other remedies for past, current and future infringement of the Assigned Marks; and (d) all other rights, privileges and protections of any kind whatsoever of Assignor accruing under any of the foregoing.

2. Further Assurances. Assignor covenants and agrees that, at any time and from time to time upon the request of Assignee, at Assignee’s expense, Assignor shall provide any further necessary documentation and do all further acts reasonably requested by Assignee to confirm and perfect title in and to the Assigned Marks in Assignee, its successors and assigns. Assignor hereby authorizes the Commissioner for Trademarks of the United States Patent and Trademark Office and any other governmental authority to record and register this Assignment upon request by Assignee.

3. **Entire Agreement.** This Assignment reflects the entire understanding of the Parties relating to the sale, assignment, transfer, conveyance and delivery of the Assigned Marks from Assignor to Assignee, and supersedes all prior agreements, understandings or letters of intent between or among the Parties regarding the subject matter of this Assignment.

4. **Successors and Assigns.** This Assignment shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

5. **Governing Law and Venue.** This Assignment and any disputes or controversies arising hereunder shall be construed and enforced in accordance with, and governed by the internal laws of, the State of Delaware without giving effect to the conflicts of laws principles thereof that would apply the laws of any other jurisdiction. Each of the Parties irrevocably agrees that any legal action or proceeding arising out of or relating to this Assignment brought by either Party or its successors or assigns against the other Party shall be brought and determined in the Court of Chancery of the State of Delaware; provided that if jurisdiction is not then available in the Court of Chancery of the State of Delaware, then any such legal action or proceeding may be brought in any federal court located in the State of Delaware or any other Delaware state court.

6. **Severability.** If any provision hereof shall be held invalid or unenforceable by any court of competent jurisdiction or as a result of future legislative action, so long as the economic and legal substance of the transactions contemplated hereby are not affected in any manner materially adverse to any party, such holding or action shall be strictly construed and shall not affect the validity or effect of any other provision hereof, as long as the remaining provisions, taken together, are sufficient to carry out the overall intentions of the Parties as evidenced hereby.

7. **Counterparts.** This Assignment may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement, and shall become binding when one or more counterparts have been signed by each of the Parties and delivered to each of the Parties. A signature sent by facsimile transmission or e-mail shall be as binding as delivery of a manually executed copy of this Assignment.

Remainder of page intentionally left blank.

IN WITNESS WHEREOF, the Parties have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date.

ASSIGNOR: CROSMAN CORPORATION

By:

Name: Ryan Thorp

Title: Assistant secretary

CERTIFICATE OF ACKNOWLEDGEMENT

STATE OF CONNECTICUT
