WHEREAS, pursuant to the Security Agreement, the Grantor is required to execute and deliver to Collateral Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** The Grantor hereby grants to Collateral Agent, for the benefit of the Secured Parties, a valid and continuing first priority security interest in and Lien on all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “**Trademark Collateral**”):

(a) all of such Grantor’s Trademark registrations and Trademark applications, including, without limitation, those referred to on Schedule 1 hereto; and

(b) the related IP Ancillary Rights.

Notwithstanding anything to the contrary herein, the Trademark Collateral shall not extend to any intent-to-use United States trademark applications for so long as and to the extent that such intent-to-use United States trademark applications constitute Excluded Collateral.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secure the payment and performance of all the Secured Obligations of the Grantor, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by the Grantor to Collateral Agent, the other Secured Parties, or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with and in furtherance of the security interests and Liens granted to Collateral Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, and to the extent a conflict exists, the terms of the Security Agreement control.

This Trademark Security Agreement shall be binding upon the Grantor, its successors and assigns and shall insure, together with the rights and remedies of Collateral Agent and the other Secured Parties hereunder, to the benefit of Collateral Agent and the other Secured Parties and their successors and assigns.

6. COUNTERPARTS; INTEGRATION. This Trademark Security Agreement (or any amendments, waivers, consents, or supplements hereto) may be executed in any number of counterparts, each of which shall be deemed an original with the same effect as if the signatures thereto and hereto were upon the same instrument. This Trademark Security Agreement and the other Financing Documents constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed signature page of this Trademark Security Agreement (or any amendments, waivers, consents, or supplements hereto) by facsimile transmission or electronic transmission shall be as effective as delivery of a manually executed counterpart hereof or thereof.

The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement or any other Financing Document refer to this Trademark Security Agreement or such other Financing Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Financing Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Financing Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Financing Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash in accordance with the terms of the Credit Agreement (or cash collateralization in accordance with the terms thereof) of all Obligations other than unasserted Contingent Obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns.
