TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “Trademark Security Agreement”) is dated as of April 17 2024, by KENT WATER SPORTS, LLC, a Delaware limited liability company, ABSOLUTE OUTDOOR OF AMERICA, LLC, a Delaware limited liability company, BAREFOOT INTERNATIONAL, LLC, a Delaware limited liability company, CONNELLY SKIS, LLC, a Delaware limited liability company, HO SPORTS COMPANY, LLC, a Delaware limited liability company, MOTION SPORTS OF AMERICA, LLC, a Delaware limited liability company, and BOTE, LLC, a Florida limited liability company (each, individually, a “Grantor” and, collectively, the “Grantors”), in favor of ECLIPSE BUSINESS CAPITAL LLC, in its capacity as agent for the Lenders (in such capacity, the “Agent”).

W I T N E S S E T H:

WHEREAS, the Grantors are party to that certain Loan and Security Agreement dated as of April 17, 2024 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in favor of the Agent, pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meanings given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby pledges to the Agent, its successors and permitted assigns, for the benefit of the Lenders, and hereby grants to the Agent, its successors and permitted assigns, for the benefit of the Lenders, a security interest in all of such Grantor’s right, title, and interest in or to any and all of the following Intellectual Property now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”):

- (a) (x) all United States and Canadian trademarks, service marks, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, social and mobile media identifiers, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations thereof (if any), and all registration applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States (except for “intent-to-use” applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of the Lanham Act has been filed, to the extent that, and solely during the period for which, any assignment of an “intent-to-use” application prior to such filing would violate the Lanham Act) or in the Canadian Intellectual Property Office, and all renewals thereof, and (y) all IP Agreements under which a Grantor is an exclusive licensee of registered or applied-for Trademarks, including, in the case of (x), those listed on Schedule I;
- (b) all goodwill associated therewith or symbolized thereby;

- (c) all claims for, and rights to sue for, past or future infringements of any of the foregoing; and
- (d) all income, royalties, damages and payments now or hereafter due and payable with respect to any of the foregoing, including damages and payments for past or future infringement thereof.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and the Grantors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Recordation. This Trademark Security Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office and Canadian Intellectual Property Office. Each Grantor authorizes and requests that the Commissioner of Trademarks record this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in two or more counterparts, each of which will constitute an original but all of which when taken together will constitute but one contract, and will become effective as provided in Section 15.2 of the Security Agreement. Delivery of an executed counterpart to this Trademark Security Agreement by facsimile or other electronic transmission will be as effective as delivery of a manually signed original.

SECTION 6. Governing Law. THIS TRADEMARK SECURITY AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (EXCEPT FOR CONFLICTS OF LAW PRINCIPLES THAT WOULD RESULT IN THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION).

[Signature Pages Follow]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
