ASSIGNMENT OF TRADEMARK

This Assignment of Trademark (this “*Assignment*”), is made as of April 15, 2024 (the “*Effective Date*”), by and between Filmetrics, Inc., a corporation incorporated under the laws of the State of California, with a place of business at 10655 Roselle Street, San Diego, California 92121 (“*Assignor*”), and KLA Corporation, a corporation incorporated under the laws of the State of California, with a place of business at One Technology Drive, Milpitas, California 95035 (“*Assignee*”, and collectively with the Assignor, the “*Parties*”).

WHEREAS, Assignor desires to transfer and assign to Assignee all of Assignor’s right, title and interest in and to the following: (i) Assignor’s trademark, service mark, and registration, and the goodwill associated with the marks listed on Exhibit A, and (ii) and the right to sue for past, present and future infringement, dilution and damages therefor (all as presently existing or hereafter arising or acquired (collectively, the “*Trademark Rights*”).

WHEREAS, Assignee has requested that Assignor execute an assignment suitable for recording that Assignee is the successor-in-interest of the entire right, title and interest in and to the Trademark Rights;

WHEREAS, Assignee desires to acquire the entire right, title and interest in and to the Trademark Rights;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed as follows:

1. Assignor hereby assigns and transfers to Assignee, all of Assignor’s right, title, and interest in the Trademark Rights and the associated goodwill related thereto. All rights and privileges associated with the Trademark Rights, including the right to sue for and recover all damages from any past or future infringements or other violations of the Trademark Rights, will be held and enjoyed by Assignee.

2. The Parties hereto agree that, at any time and from time to time upon the written request of the other party, each party will execute and deliver such further documents and do such further acts and things as may be reasonably requested by the other party in order to effect the purposes of this agreement.

3. This Assignment may be executed in multiple counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument. The Parties authorize one another to detach and combine original signature pages and consolidate them into a single identical original, and any one of such completely executed counterparts will be sufficient proof of this Assignment. Any photographic, photocopy, or similar reproduction copy of this Assignment, or any PDF file of this Assignment, or any copy of this Assignment sent by facsimile transmission, in each case with all signatures reproduced on one or more sets of signature pages, will be considered for all purposes as if it were a manually-executed counterpart of this Assignment.

4. The term "including" and its variants do not imply any limitation.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Assignment of Trademark as of the Effective Date above.

Filmetrics, Inc.
