## TRADEMARK COLLATERAL AGREEMENT

This 30<sup>th</sup> day of April, 2024, ATLANTA DATACOM, INC. (together with any successors, by amalgamation or otherwise, and permitted assigns, "**Debtor**"), a corporation existing under the laws of Georgia, with its principal place of business and mailing address at 447 Sutter St Ste 405 PMB1116 San Francisco, California in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, collaterally assigns, mortgages and pledges to Bank of Montreal ("**BMO**"), with its mailing address at 100 King Street West, 18th floor, FCP Toronto, ON M5X 1A1, acting as administrative agent hereunder for the Secured Parties (as defined in the Security Agreement referred to below), and its successors and assigns (BMO acting as such administrative agent and any successor(s) or assign(s) to BMO acting in such capacity being hereinafter referred to as the "**Agent**"), and grants to the Agent for the benefit of the Secured Parties a continuing security interest in and to all of the right, title and interest of such Debtor in, to and under the following property, wherever located, and whether now existing or hereafter arising or acquired from time to time (the "**Trademark Collateral**");

(i) each trademark, trademark registration, and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration, and trademark application and all extensions and renewals thereof; and

(ii) all proceeds of the foregoing, including without limitation (x) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing and (y) any and all claims and causes of action by Debtor against third parties for damages, restitution and injunctive and other legal and equitable relief by reason of past, present or future infringement, dilution, misappropriation, violation, misuse, breach or default of any trademark, trademark registration, or trademark application listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark, trademark registration, or trademark application, in each case together with the right but no obligation to sue for and collect, or otherwise recover, said damages;

to secure the payment and performance of all Obligations of Debtor as set out in that certain general security agreement (as the same may be amended, modified, or restated from time to time (the "**Security Agreement**")) dated as of the date hereof, among Debtor, Agent, and the other parties from time to time party thereto. Capitalized terms not defined herein shall have the meaning ascribed thereto in the Security Agreement.

Notwithstanding anything herein to the contrary, the security interest created under this Trademark Collateral Agreement shall not extend to, and the term "Trademark Collateral" shall not include, and the security interest granted herein shall not attach, to any Excluded Property, including but not limited to any United States trademark subject to an application filed based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use

being hereinafter referred to collectively as “**Intent-to-Use Applications**”). When a Statement of Use is filed and accepted by the United States Patent and Trademark Office for an Intent-to-Use Application, then that Intent-to-Use Application shall cease to be exempted from this Trademark Collateral Agreement.

Notwithstanding anything herein to the contrary, the security interest with respect to the Trademark Collateral constitutes a security interest in, and a charge and pledge of, such Trademark Collateral in favor of the Agent for the benefit of the Secured Parties, but does not constitute a sale, transfer, conveyance, or other assignment of such Trademark Collateral to the Agent or any of the Secured Parties

Debtor authorizes the Commissioner for Trademarks and any other government officials to record and register this Trademark Collateral Agreement upon request by the Agent.

Debtor does hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the collateral assignment, mortgage, pledge and security interest in the trademarks, trademark registrations, and trademark applications made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. The rights and remedies of the Agent with respect to the Trademark Collateral are as provided by the Security Agreement and related documents, and nothing in this Trademark Collateral Agreement shall be deemed to limit such rights and remedies.

This Trademark Collateral Agreement may be in the form of an Electronic Record and may be executed using Electronic Signatures (including, without limitation, facsimile and .pdf) and shall be considered an original, and shall have the same legal effect, validity and enforceability as a paper record. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Debtor of a manually signed paper trademark collateral agreement which has been converted into electronic form (such as scanned into PDF format), or an electronically signed trademark collateral agreement converted into another format, for transmission, delivery and/or retention. For purposes hereof, “Electronic Record” and “Electronic Signature” shall have the meanings assigned to them, respectively, by 15 USC §7006 of the *Electronic Signatures in Global and National Commerce Act*, as it may be amended from time to time.

This Trademark Collateral Agreement may be executed in any number of counterparts and by different parties hereto on separate counterpart signature pages, each constituting an original, but all together one and the same instrument. The Debtor acknowledges that this Trademark Collateral Agreement is and shall be effective upon its execution and delivery by the Debtor to the Agent.
