INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is made as of this 29th day of July, 2022 by V & V Supremo Foods, Inc., an Illinois corporation ("V&V Supremo"), V & V Bridgeview LLC, a Delaware limited liability company ("V&V Bridgeview"), Chula Vista Cheese Company, an Illinois general partnership ("Chula Vista", and together with V&V Supremo and V&V Bridgeview, the "Grantors" and each a "Grantor"), in favor of BMO Harris Bank N.A. ("Bank").

W I T N E S S E T H

WHEREAS, Grantors and Bank, are parties to that certain Credit Agreement dated as of the date hereof (as the same may hereafter be amended, modified, restated or replaced from time to time, the "Credit Agreement") providing for the extensions of credit to be made to Grantors by Bank; and

WHEREAS, to secure the complete and timely payment and satisfaction of the Obligations (as defined in the Credit Agreement), and any other indebtedness, obligations and liabilities of whatsoever kind and nature of the Grantors (whether arising before or after the filing of a petition in bankruptcy), whether direct or indirect, absolute or contingent, due or to become due, and whether now existing or hereafter arising and howsoever held, evidenced or acquired, and whether several, joint or joint and several, and any and all expenses and charges, legal or otherwise, suffered or incurred by Bank in collecting or enforcing any of such indebtedness, obligations or liabilities or in realizing on or protecting or preserving any security therefor, including, without limitation, the lien and security interest granted hereby (the "Secured Obligations"), pursuant to that certain Security Agreement dated as of the date hereof (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement") each Grantor has granted to Bank, for its benefit and the benefit of Bank, a security interest in substantially all of the assets of such Grantor including all right, title and interest of such Grantor in, to and under all now owned and hereafter created, acquired, or arising software, patents, trademarks, tradestyles, copyrights, and all other intellectual property rights, including all applications, registration, and licenses therefor, and all goodwill of the business connected therewith or represented thereby and all products and proceeds thereof.

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

1. Incorporation of Security Agreement. The Security Agreement and the terms and provisions thereof are hereby incorporated in their entirety by this reference. All terms capitalized but not otherwise defined herein shall have the same meanings ascribed to them in the Credit Agreement.
2. Grant and Reaffirmation of Grant of Security Interests. To secure the payment and performance of the Secured Obligations, each Grantor hereby grants to Bank, for the

benefit of itself, and hereby reaffirms its grant under the Security Agreement of a continuing first priority and perfected security interest in all of such Grantor's rights, title and interests in and to the following property of such Grantor, whether now owned or existing or hereafter created, acquired or arising:

(i) all United States trademarks, service marks, collective marks, certification marks, trade names, business names, d/b/a's, Internet domain names, trade styles, designs, logos and other source or business identifiers and all general intangibles of like nature, now or hereafter owned, adopted, acquired or used by a Grantor, all applications, registrations and recordings for any of the foregoing including, but not limited to: (a) the applications, registrations and recordings thereof, including, without limitation, those referred to in Schedule 1 hereto; (b) all reissues, extensions or renewals of any of the foregoing; (c) all goodwill of the business symbolized by the foregoing; (d) all customer lists, formulae and other records of a Grantor relating to the distribution of products and services in connection with which any of the foregoing are used; (e) the right to sue for all past, present and future infringements of any of the foregoing; and (f) all common law and other rights throughout the world in and to all of the foregoing (collectively, the "Trademarks");

(ii) all United States letters patent, design patents, utility patents, industrial designs, inventions, trade secrets, ideas, concepts, methods, techniques, processes, proprietary information, technology, know-how, formulae, rights of publicity and other general intangibles of like nature, now existing or hereafter acquired, and applications, registrations and recordings for any of the foregoing, including, but not limited to: (a) each patent and patent application referred to in Schedule 1 hereto; (b) all reissues, divisions, continuations, continuations in part and extensions or renewals thereof; (c) the right to sue for all past, present and future infringements of any of the foregoing; and (d) all common law and other rights throughout the world in and to all of the foregoing (collectively, the "Patents");

(iii) All United States copyrights, whether registered or unregistered, including, without limitation, all copyright rights throughout the universe (whether now or hereafter arising) in any and all media (whether now or hereafter developed), in and to all original works of authorship fixed in any tangible medium of expression, acquired or used by a Grantor, and, with respect to any and all of the foregoing: (a) all applications, registrations and recordings for any of the foregoing including, without limitation, the registrations and applications referred to in Schedule 1 hereto; (b) all reissues, divisions, continuations, continuations in part and extensions or renewals thereof; (c) the right to sue for all past, present and future infringements of any of the foregoing; and (d) all common law and other rights throughout the world in and to all of the foregoing (collectively, the "Copyrights"); and

(iv) all products and proceeds of any Trademarks, Patents or Copyrights and any and all proceeds of the foregoing described in this Section 2.

3. Covenants. Except as otherwise permitted under the Credit Agreement or the other Loan Documents, no Grantor shall sell, license, grant any option, assign or further

encumber its rights and interest in the Trademarks, Copyrights or Patents without prior written consent of Bank.

4. Representations and Warranties; New Trademarks, Patents and Copyrights. Each Grantor hereby represents and warrants that the Trademarks, Patents and Copyrights listed on Schedule 1 attached hereto constitute all trademarks and trademark applications registered with the United States Patent and Trademark Office (other than any "intent to use" trademark applications for which a statement of use has not been filed (but only until such statement is filed)), copyrights and copyright applications registered with the United States Copyright Office, and patents and patent applications registered with the United States Patent and Trademark Office, owned or registered to such Grantor under the laws of the United States of America as of the date of this Agreement. If, before the Secured Obligations are paid in full or before the Credit Agreement and other Loan Documents have been terminated, any Grantor (a) becomes aware of any existing Trademark, Copyright or Patents of which such Grantor has not previously informed Bank or (ii) becomes entitled to the benefit of any Trademark, Copyright or Patents which benefit is not in existence on the date hereof, then the provisions of this Agreement will automatically apply thereto and such Grantor shall give to Bank prompt written notice thereof. Each Grantor hereby authorizes Bank to modify this Agreement by amending Schedule 1 hereto to include any such Trademark, Copyright or Patent and to file a duplicate original of this Agreement containing the amended Schedule.

5. Authorization to Supplement. If any Grantor shall obtain rights to any new Trademarks, Patents or Copyrights, the provisions of this Agreement shall automatically apply thereto. Such Grantor shall give notice in writing to Bank in accordance with the terms of the Security Agreement with respect to any such new Trademarks, Patents or Copyrights or renewal or extension of any Trademark, Patent or Copyright registration. Without limiting such Grantor's obligations under this Section, such Grantor hereby authorizes Bank unilaterally to modify this Agreement by amending Schedule 1 to include any such new Trademark, Patent or Copyright rights of such Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from Bank's continuing security interest in all Trademarks, Patents or Copyrights, whether or not listed on Schedule 1.

6. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Agreement.

7. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts. Delivery by facsimile or electronic transmission shall bind the parties hereto.

8. Governing Law; Jurisdiction; Venue. This Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of Illinois, without regard to conflicts of law principles that would require the application of

the laws of another jurisdiction. THE PROVISIONS OF SECTIONS 9.17 and 9.18 OF THE CREDIT AGREEMENT SHALL APPLY TO THIS AGREEMENT MUTATIS MUTANDIS.

[Signatures to appear on following page]

IN WITNESS WHEREOF, each Grantor has duly executed this Agreement as of the date first written above.
